## PREAMBLE

The Government of the Republic of Turkey and the Government of the Republic of Mozambique, hereinafter referred to as "the Contracting Parties";

Desiring to promote greater economic cooperation between them, particularly with respect to investment by investors of one Contracting Party in the territory of the other Contracting Party;

Recognizing that agreement upon the treatment to be accorded such investment will stimulate the flow of capital and technology and the economic development of the Contracting Parties;

Agreeing that fair and equitable treatment of investments is desirable in order to maintain a stable framework for investment and will contribute to maximizing effective utilization of economic resources and improve living standards; and

Convinced that these objectives can be achieved without relaxing health, safety and environmental measures of general application as well as internationally recognized labor rights;

Having resolved to conclude an agreement concerning the reciprocal promotion and protection of investments;

Have agreed as follows:

---

<sup>1</sup> Where an asset lacks the characteristics of an investment, that asset is not an investment regardless of the form it may take.

N.S.

4. The "territory" means:

(a) in respect of the Republic of Turkey; the land territory, internal waters, the territorial sea and the airspace above them, as well as the maritime areas over which Turkey has sovereign rights or jurisdiction for the purpose of exploration, exploitation and preservation of natural resources whether living or non-living, pursuant to international law.

(b) in respect of the Republic of Mozambique; its land territory, internal waters, the territorial sea and the airspace above them, as well as any maritime area situated beyond the territorial sea which has been or might in the future be designated under its national law, in accordance with international law, as an area within which Mozambique may exercise sovereign rights or jurisdiction with regards to the sea, the sea-bed, the subsoil and the natural resources.

**ARTICLE 2**  
**Scope of Application**

2. Each Contracting Party shall accord to these investments, once established, treatment no less favorable than that accorded in like circumstances to investments of its investors or to investments of investors of any third State, whichever is the most favorable, as regards the management, maintenance, use, operation, enjoyment, extension, sale, liquidation or disposal of the investment.
3. The Contracting Parties shall within the framework of their national legislation give favorable consideration to applications for the entry and sojourn of nationals of either Contracting Party who wish to enter the territory of the other Contracting Party in connection with the making and carrying through of an investment.
4. (a) The provisions of this Article shall not be construed so as to oblige one Contracting Party to extend to the investors of the other Contracting Party the benefit of any treatment, preference or privilege which may be extended by the former Contracting Party by virtue of any international agreement or arrangement relating wholly or mainly to taxation.  
  
(b) The non-discrimination, national treatment and most-favored nation treatment provisions of this Agreement shall not apply to all actual or future advantages accorded by either Contracting Party by virtue of its membership of, or association with a customs, economic or monetary union, a common market or a free trade area; to nationals or companies of its own, of Member States of such union, common market or free trade area, or of any other third State.

In the event of serious balance of payments and external financial difficulties or threat thereof, a Contracting Party may adopt or maintain restrictions on payments or transfers related to investments. ## ARTICLE 13

### Settlement of Disputes between the Contracting Parties

1. The Contracting Parties shall seek in good faith and a spirit of cooperation a rapid and equitable solution to any dispute between them concerning the interpretation or application of this Agreement. In this regard, the Contracting Parties agree to engage in direct and meaningful negotiations to arrive at such solutions. If the Contracting Parties cannot reach an agreement within six (6) months after the beginning of disputes between themselves through the foregoing procedure, the disputes may be submitted, upon the request of either Contracting Party, to an arbitral tribunal of three members.
2. Within two (2) months of receipt of a request, each Contracting Party shall appoint an arbitrator. The two arbitrators shall select a third arbitrator as Chairman, who is a national of a third State. In the event either Contracting Party fails to appoint an arbitrator within the specified time, the other Contracting Party may request the President of the International Court of Justice to make the appointment.
3. If both arbitrators cannot reach an agreement about the choice of the Chairman within two (2) months after their appointment, the Chairman shall be appointed upon the request of either Contracting Party by the President of the International Court of Justice.
4. If, in the cases specified under paragraphs 2 and 3 of this Article, the President of the International Court of Justice is prevented from carrying out the said function or if he is a national of either Contracting Party, the appointment shall be made by the Vice-President, and if the Vice-President is prevented from carrying out the said function or if he is a national of either Contracting Party, the appointment shall be made by the most senior member of the Court who is not a national of either Contracting Party.
5. The tribunal shall have three (3) months from the date of the selection of the Chairman to agree upon rules of procedure consistent with the other provisions of this Agreement. In the absence of such agreement, the tribunal shall request the President of the International Court of Justice to designate rules of procedure, taking into account generally recognized rules of international arbitral procedure.
6. Unless otherwise agreed, all submissions shall be made and all hearings shall be completed within eight (8) months of the date of selection of the Chairman, and the tribunal shall render its decision within two (2) months after the date of the final submissions or the date of the closing of the hearings, whichever is later. The Arbitral Tribunal shall reach its decisions, which shall be final and binding, by a majority of votes. Arbitral Tribunal shall reach its decision on the basis of this Agreement and in accordance with international law applicable between the Contracting Parties.
7. Expenses incurred by the Chairman, the other arbitrators, and other costs of the proceedings shall be paid for equally by the Contracting Parties. The tribunal may, however, at its discretion, decide that a higher proportion of the costs be paid by one of the Contracting Parties.

8. A dispute shall not be submitted to an international arbitral tribunal under the provisions of this Article, if a dispute on the same matter has been brought before another international arbitral tribunal under the provisions of Article 11 and is still before the tribunal. This will not impair the engagement in direct and meaningful negotiations between both Contracting Parties.
