Law of The Republic of Moldova on Investments in Entrepreneurial Activity

No. 81-XV, as of 18.03.2004

Official Monitor of the Republic of Moldova No. 64-66, as of 23.04.2004

[Preamble]

Taking into consideration the exclusive importance of attraction of the investments to the Republic of Moldova, the necessity of encouragement and protection through creation of stable and equal legal, social and economical conditions for investment activity, the necessity of providing the equal guarantees for foreign and domestic investors, and also prevention and elimination of barriers impeding the investment activity,

Based on the sub-item r), item 3, art. 72 of the Constitution of the Republic of Moldova, the Parliament adopts this organic law.

Chapter I. General provisions

Article 1. Field of application

This law shall establish legal, social and economic principals of organization and development of investment activity on the territory of the Republic of Moldova, defines rights and responsibilities of investors, responsibilities and sphere of duties of public authorities in the sphere of investment activity, guarantees provided by the state for local and foreign investors, methods of resolution of investment disputes, as well as methods of regulation of activity of enterprises with foreign investments.

Article 2. Legal framework

- 1) Investments in the Republic of Moldova are regulated by the Constitution, this law, and regulatory acts, as well as by international agreements to which the Republic of Moldova makes part.
- 2) If provisions of international agreements, to which the Republic of Moldova makes part, differ from provisions of this law, provisions of international agreements shall be applied.
- 3) Force of this law shall not apply to investments made by non-business (non-profit) organizations targeted to achievement of socially useful goals, including those related to education, charity, sponsorship, science, and religion. These relations shall be regulated by the corresponding legislation of the Republic of Moldova.

Article 3. Key terms

The following key terms shall be used in this law:

- investment - aggregate of values (assets), invested in any entrepreneurial activity on the territory of the Republic of Moldova, with a view of gaining profit;
- foreign investments – investments made by foreign investors in any entrepreneurial activity in the Republic of Moldova, including profits gained from this investments and reinvested on the territory of the Republic of Moldova;
- investment activity – activity related to investment and to carrying out of entrepreneurial activity in connection with this investment with a view of gaining profit;
- public authority - organizational structure or body, established by the law or regulatory administrative act, that acts as public authority with a view of fulfillment of public interests;

investment disputes – misunderstanding or disagreement between investor and public authority with regard to investments, including with regard to:

- a. investment activity;

- b. interpretation of any action or inaction of public authority within this law, other laws of the Republic of Moldova, or international law;
- c. any agreement, to which the Republic of Moldova and investor make part.
- investor – individual or legal person carrying out investment activity on the territory of the Republic of Moldova;
- foreign investor – person carrying out investment activity in the Republic of Moldova, namely:
 - a. individual – foreign citizen having permanent residence in other country or stateless person but with permanent residence outside the Republic of Moldova;
 - b. legal person, founded according to legislation of other country, with permanent residence in this county, or legal person which is located, or has central administration or the principal place of business registered in another country;
 - c. organization or association, created on the basis of contract closed between states and other subjects of international law.

Article 4. Investment forms

- 1) Investments may be in the following forms:
 - a. right of ownership over real estate and movables, as well as other proprietary rights;
