Compensation payments shall be freely transferable without undue delay.

The investors concerned shall receive the same treatment as the nationals of the other Contracting Party and, at all events, no less favourable than investors of Third States.

Article 5 - Nationalization or Expropriation

1. The investments to which this Agreement relates shall not be subject to any measure which might limit the right of ownership, possession, control or enjoyment of the investments, permanently or temporarily, save where specifically provided by current, national or local,
legislation and/or regulations and orders handed down by courts or Tribunals having jurisdiction.

2. Investments of investors of one of the Contracting Parties shall not be, "de jure" or "de facto", directly or indirectly, nationalized, expropriated, requisitioned or subjected to any measures having an equivalent effect in the territory of the other Contracting Party, except for public purposes or national interest and in exchange for immediate, full and effective compensation, and on condition that these measures are taken on a non-discriminatory basis and in conformity with all legal provisions and procedures.

3. The compensation shall be established on the basis of real international markets values immediately prior to the moment in which the decision to nationalize or expropriate is announced to the investor or made public. In the absence of an understanding between the host Contracting Party and the investor during the nationalization, or expropriation procedure, compensation shall be based on the same reference parameters, and exchange rates, taken into account in the documents for the constitution of the investment. The exchange rate applicable to any such compensation shall be that prevailing on the date immediately prior to the moment in which the nationalization or expropriation has been announced or made public.

5. Compensation will be considered as actual if it will have been paid in the same currency in which the investment has been made by the foreign investor, in as much as such currency is - or remains - convertible, or, otherwise, in any other currency accepted by the investor.

6. Compensation will be considered as timely if it takes place without undue delay and, in any case, within one month.

7. Compensation shall include interests calculated on a six months LIBOR basis from the date of nationalisation or expropriation to the date of payment.

8. A national or company of either Party that asserts that all or part of its investment has been expropriated shall have a right to prompt review by the appropriate judicial or administrative authorities of the other Party to determine whether any such expropriation has occurred and, if so, whether such expropriation, and any
compensation thereof, conforms to the principles of international law, and to decide all other matters relating thereto.

9. In the absence of an agreement between the investor and the responsible authority, the amount of compensation will be established according to the procedures for disputes resolution as per Article 9 of this Agreement. Compensation will be freely transferable.

10. The provisions of paragraph 2. of this Article shall also apply to profits accruing to an investment and, in the event of winding-up, the proceeds of liquidation.

11. If, after the dispossess, the good concerned has not been utilized, wholly or partially, for that purpose, the owner or his assignees are entitled to the repurchasing of the good at the market price.

Article 6 - Repatriation of Capital, Profits and Income

1. Each of the Contracting Parties shall guarantee that the investors of the other may transfer the following abroad, without undue delay, in any convertible currency:

2. Without restricting the scope of Article 3 of this Agreement, the Contracting Parties undertake to apply to the transfers mentioned in paragraph 1 of this Article the same favourable treatment that is accorded to investments effected by investors of Third States, in case it is more favourable.

Article 7 - Subrogation

In the event that one Contracting Party or an Institution thereof has provided a guarantee in respect of non-commercial risks for the investment effected by one of its investors in
the territory of the other Contracting Party, and has effected
payment to said investor on the basis of that guarantee, the
other Contracting Party shall recognise the assignment of the
rights of the investor to the first-named Contracting-Party.
In case of subrogation, as defined above, the investor cannot
put forward claims relevant to the already effected payments
unless authorized by the Contracting Party or any of its
institutions. In relation to the transfer of payments to the
Contracting Party or its Institution by virtue of this
assignment, the provisions of Article 4, 5 and 6 of this
Agreement shall apply.

Article 8 - Transfer procedures

1. The transfers referred to in Article 4, 5, 6 and 7 shall
be effected without undue delay and, at all events,
within six months after all fiscal obligations have been
met, and shall be made in a convertible currency. All the
transfers shall be made at the prevailing exchange rate
applicable on the date on which the investor applies for
the related transfer, with the exception of the
provisions under point 3 of article 5 concerning the
exchange rate applicable in case of nationalization or
expropriation.

2. The fiscal obligations under the previous paragraph are
deemed to be complied with when the investor has
fulfilled the proceedings provided for by the law of the
Contracting Party on the territory of which the investment has been carried out.

Article 9 - Settlement of Disputes between Investors and Contracting Parties

1. Any dispute which may arise between one of the Contracting Parties and the investors of the other Contracting Party on investments, including disputes relating to the amount of compensation, shall be settled amicably, as far as possible.

2. In case the Investor and one entity of one of the Contracting Parties have stipulated an investment agreement, the procedure foreseen in such investment agreement shall apply.

3. In the event that such dispute cannot be settled amicably within six months of the date of the written application for settlement, the investor in question may submit at his choice the dispute for settlement to:
   a) the Contracting Party's Court having territorial jurisdiction;
   b) an ad hoc Arbitration Tribunal, in compliance with the arbitration regulation of the UN Commission on the International Trade Law (UNCITRAL); and the host Contracting Party undertakes hereby to accept the reference to said arbitration.
c) the International Centre for Settlement of Investment Disputes, for the implementation of the arbitration procedures under the Washington Convention of 18 March, 1965, on the settlement of investment disputes between States and nationals of other States, if or as soon as both the Contracting Parties have acceded to it.

4. Both Contracting Parties shall refrain from negotiating through diplomatic channels any matter relating to an arbitration procedure or judicial procedures underway until these procedures have been concluded, and one of the Contracting Parties has failed to comply with the ruling of the Arbitration Tribunal or the Court of law within the period envisaged by the ruling, or else within the period which can be determined on the basis of the international or domestic law provisions which can be applied to the case.

Article 10 - Settlement of Disputes between the Contracting Parties

1. Any dispute which may arise between the Contracting Parties relating to the interpretation and application of this Agreement shall, as far as possible, be settled amicably through diplomatic channels.

2. In the event that the dispute cannot be settled within six months of the date on which one of the Contracting
Parties notifies, in writing, the other Contracting Party, the dispute shall, at the request of one of the Contracting Parties, be laid before an ad hoc Arbitration Tribunal as provided in this Article.

3. The Arbitration Tribunal shall be constituted in the following manner: within two months from the moment on which the request for arbitration is received, each of the two Contracting Parties shall appoint a member of the Tribunal. The President shall be appointed within three months of the date on which the other two members are appointed.

4. If, within the period specified in paragraph 3. of this Article, the appointments have not been made, each of the two Contracting Parties can, in default of other arrangement, ask the President of the International Court of Justice to make the appointment. In the event that the President of the Court is a national of one of the Contracting Parties or it is, for any reason, impossible for him to make the appointment, the application shall be made to the Vice-President of the Court. If the Vice-President of the Court is a national of one of the Contracting Parties, or is unable to make the appointment for any reason, the most senior member of the International Court of Justice, who is not a national of one of the Contracting Parties, shall be invited to make the appointment.
5. The Arbitration Tribunal shall rule with a majority vote, and its decisions shall be binding. Both Contracting Parties shall pay the costs of their own arbitration and of their representative at the hearings. The President’s costs and any other cost shall be divided equally between the Contracting Parties.

The Arbitration Tribunal shall lay down its own procedures.

**Article 11 - Relations between Governments**

The provisions of this Agreement shall be applied irrespective of whether or not the Contracting Parties have diplomatic or consular relations.

**Article 12 - Application of other Provisions**

1. If a matter is governed both by this Agreement and by another International Agreement to which both Contracting Parties are signatories, or by general international law provisions, the most favourable provisions shall be applied to the Contracting Parties and to their investors.

2. Whenever the treatment accorded by one Contracting Party to the investors of the other Contracting Party, according to its laws and regulations or other provisions or specific contract or investment authorisations or agreement, is more favourable than that provided under
this agreement, the most favourable treatment shall apply.

In case the host Contracting Party has not applied such treatment, in conformity with the above, and the Investor suffers a damage as a consequence thereof, the Investors shall be entitled to a compensation of such damages in conformity with Article 4.

3. Whenever, after the date when the investment has been made, a modification should take place in laws, regulations, acts or measures of economic policies governing directly or indirectly the investment, the same treatment will apply upon request of the investor that was applicable to it at the moment when the investment has been carried out.

Article 13 - Entry into Force

This Agreement shall become effective as from the date in which the two Contracting Parties notify each other that their respective constitutional procedures have been completed.

Article 14 - Duration and Expiry

1. This Agreement shall remain effective for a period of 10 years from the date of the notification under Article 13 and shall remain in force for a further period of 5 years thereafter, save if one of two Contracting Parties
withdraws in writing by not later than one year before its expiry date.

2. In the case of investments effected prior to the expiry dates, as provided under paragraph 1 of this Article, on the provisions of the Articles 1 to 12 shall remain effective for a further five years after the aforementioned dates.

In WITNESS WHEREOF, the undersigned, being duly authorised thereto by their respective Governments, have signed the present Agreement.
