ARTICLE 2

Promotion and Protection of Investment

- (1) Each Contracting Party shall encourage and create favourable conditions for nationals or companies of the other Contracting Party to invest capital in its territory, and, subject to its right to exercise powers conferred by its laws, shall admit such capital.
- (2) Investments of nationals or companies of each Contracting Party shall at all times be accorded fair and equitable treatment and shall enjoy full protection and security in the territory of the other Contracting Party. Neither Contracting Party shall in any way impair by unreasonable or discriminatory measures the management, maintenance, use, enjoyment or disposal of investments in its territory of nationals or companies of the other Contracting Party. Each Contracting Party shall observe any obligation it may have entered into with regard to investments of nationals or companies of the other Contracting Party.

ARTICLE 3

National Treatment and Most-favoured-nation Provisions

- (1) Neither Contracting Party shall in its territory subject investments or returns of nationals or companies of the other Contracting Party to treatment less favourable than that which it accords to investments or returns of its own nationals or companies or to investments or returns of nationals or companies of any third State.
- (2) Neither Contracting Party shall in its territory subject nationals or companies of the other Contracting Party, as regards their management, maintenance, use, enjoyment or disposal of their investments, to treatment less favourable than that which it accords to its own nationals or companies or to nationals or companies of any third State.
- (3) For the avoidance of doubt it is confirmed that the treatment provided for in paragraphs (1) and (2) above shall apply to the provisions of Articles 1 to 11 of this Agreement.

ARTICLE 4

Compensation for Losses

- (1) Nationals or companies of one Contracting Party whose investments in the territory of the other Contracting Party suffer losses owing to war or other armed conflict, revolution, a state of national emergency, revolt, insurrection or riot in the territory of the latter Contracting Party shall be accorded by the latter Contracting Party treatment, as regards restitution, indemnification, compensation or other settlement, no less favourable than that which the latter Contracting Party accords to its own nationals or companies or to nationals or companies of any third State. Resulting payments shall be freely transferable.
- (2) Without prejudice to paragraph (1) of this Article, nationals or companies of one Contracting Party who in any of the situations referred to in that paragraph suffer losses in the territory of the other Contracting Party resulting from:

(1) Investments of nationals or companies of either Contracting Party shall not be nationalised, expropriated or subjected to measures having effect equivalent to nationalisation or expropriation (hereinafter referred to as "expropriation") in the territory of the other Contracting Party except for a public purpose related to the internal needs of that Party on a non-discriminatory basis and against prompt, adequate and effective compensation. Such compensation shall amount to the genuine value of the investment expropriated immediately before the expropriation or before the impending expropriation became public knowledge, whichever is the earlier, shall include interest at a normal commercial rate until the date of payment, shall be made without delay, be effectively realizable and be freely transferable. The national or company affected shall have a right, under the law of the Contracting Party making the expropriation, to prompt review, by a judicial or other independent authority of that Party, of his or its case and of the valuation of his or its investment in accordance with the principles set out in this paragraph.

(2) Where a Contracting Party expropriates the assets of a company which is incorporated or constituted under the law in force in any part of its own territory, and in which nationals or companies of the other Contracting Party own shares, it shall ensure that the provisions of paragraph (1) of this Article are applied to the extent necessary to guarantee prompt, adequate and effective compensation in respect of their investment to such nationals or companies of the other Contracting Party who are owners of those shares.

ARTICLE 6

Repatriation of Investment and Returns

Each Contracting Party shall in respect of investments guarantee to nationals or companies of the other Contracting Party the unrestricted transfer of their investments and returns. Transfers shall be effected without delay in the convertible currency in which the capital was originally invested or in any other convertible currency agreed by the investor and the Contracting Party concerned. Unless otherwise agreed by the investor transfers shall be made at the rate of exchange applicable on the date of transfer pursuant to the exchange regulations in force.

ARTICLE 7

Exceptions

The provisions of this Agreement relative to the grant of treatment not less favourable than that accorded to the nationals or companies of either Contracting Party or of any third State shall not be construed so as to oblige one Contracting Party to extend to the nationals or companies of the other the benefit of any treatment, preference or privilege resulting from:

- (a) any existing or future customs union or similar international agreement to which either of the Contracting Parties is or may become a party; or
- (b) any international agreement or arrangement relating wholly or mainly to taxation or any domestic legislation relating wholly or mainly to taxation.

ARTICLE 8

Settlement of Disputes between an Investor and a Host State

Disputes between a national or company of one Contracting Party and the other Contracting Party concerning an obligation of the latter under this Agreement in relation to an investment of the former which have not been amicably settled shall, after a period of three months from written notification of a claim, be submitted, if the national or company concerned so wishes, to international arbitration under

the Arbitration Rules of the United Nations Commission on International Trade Law then in force. The parties to the dispute may agree in writing to modify these rules.

ARTICLE 9

Disputes between the Contracting Parties

- (1) Disputes between the Contracting Parties concerning the interpretation or application of this Agreement should, if possible, be settled through the diplomatic channel.
- (2) If a dispute between the Contracting Parties cannot thus be settled, it shall upon the request of either Contracting Party be submitted to an arbitral tribunal.
- (3) Such an arbitral tribunal shall be constituted for each individual case in the following way. Within two months of the receipt of the request for arbitration, each Contracting Party shall appoint one member of the tribunal. Those two members shall then select a national of a third State who, on approval by the two Contracting Parties shall be appointed Chairman of the tribunal. The Chairman shall be appointed within two months from the date of appointment of the other two members.
- (4) If within the periods specified in paragraph (3) of this Article the necessary appointments have not been made, either Contracting Party may, in the absence of any other agreement, invite the President of the International Court of Justice to make any necessary appointments. If the President is a national of either Contracting Party or if he is otherwise prevented from discharging the said function, the Vice-President shall be invited to make the necessary appointments. If the Vice-President is a national of either Contracting Party or if he too is prevented from discharging the said function, the Member of the International Court of Justice next in seniority who is not a national of either Contracting Party shall be invited to make the necessary appointments.
- (5) The arbitral tribunal shall reach its decision by a majority of votes. Such decision shall be binding on both Contracting Parties. Each Contracting Party shall bear the cost of its own member of the tribunal and of its representation in the arbitral proceedings; the cost of the Chairman and the remaining costs shall be borne in equal parts by the Contracting Parties. The tribunal may, however, in its decision direct that a higher proportion of costs shall be borne by one of the two Contracting Parties, and this award shall be binding on both Contracting Parties. The tribunal shall determine its own procedure.

 - (b) that the first Contracting Party is entitled to exercise such rights and enforce such claims by virtue of subrogation, to the same extent as the party indemnified.
- (2) The first Contracting Party shall be entitled in all circumstances to the same treatment in respect of:
 - (a) the rights and claims acquired by it by virtue of the assignment, and
 - (b) any payments received in pursuance of those rights and claims,as the party indemnified was entitled to receive by virtue of this Agreement in respect of the investment concerned and its related returns.
- (3) Any payments received in non-convertible currency by the first Contracting Party in pursuance of the rights and claims acquired shall be freely available to the first Contracting Party for the purpose of meeting any expenditure incurred in the territory of the second Contracting Party.

ARTICLE 11

Application of other Rules

If the provisions of law of either Contracting Party or obligations under international law existing at present or established hereafter between the Contracting Parties in addition to the present Agreement contain rules, whether general or specific, entitling investments by nationals or companies of the other Contracting Party to a treatment more favourable than is provided for by the present Agreement, such rules shall to the extent that they are more favourable prevail over the present Agreement.

ARTICLE 12

Territorial Extension

At the time of signature of this Agreement, or at any time thereafter, the provisions of this Agreement may be extended to such territories for whose international relations the Government of the United Kingdom are responsible as may be agreed between the Contracting Parties in an Exchange of Notes.
