AND PROTECTION OF INVESTMENTS

THE LEBANESE REPUBLIC AND THE REPUBLIC OF AUSTRIA hereinafter referred to as the "Contracting Parties",

DESIRING to encourage economic co-operation to the mutual benefit of both States,

INTENDING to create and maintain favourable conditions for investments by investors of one Contracting Party in the territory of the other Contracting Party,

RECOGNIZING that the encouragement and contractual protection of such investments are apt to stimulate private business initiative and to increase the prosperity of both States,

HAVE AGREED AS FOLLOWS:
CHAPTER ONE: GENERAL PROVISIONS

ARTICLE 1

   b) legal entities, including companies, corporations, business associations and other organizations, including holding or offshore companies registered in either of the Contracting Parties, which are constituted or otherwise duly organized under the law of that Contracting Party and have their seat in the territory of that same Contracting Party, making or having made an investment in the territory of the other Contracting Party.

2) The term "investment" means every kind of asset owned or controlled directly or indirectly by an investor of one Contracting Party in the territory of the other Contracting Party in accordance with the laws and regulations of the latter and shall include particularly, but not exclusively:
   a) movable and immovable, tangible and intangible property as well as any other rights in rem such as mortgages, liens, and pledges;
   b) shares, stocks and debentures and any other form of participation in a company and rights derived therefrom;
   c) claims to money and claims to performance pursuant to a contract having an economic value;
   d) intellectual property rights as defined in the multilateral agreements concluded under the auspices of the World Intellectual Property Organization, including copyrights, trademarks, patents, industrial
designs, technical processes, know-how, trade secrets, trade names and goodwill;
e) any right whether conferred by law or by contract, including turnkey contracts, concessions to search, extract or exploit natural resources, licenses, authorisations or permits to undertake an economic activity.

Any alteration of the form in which assets are invested or reinvested shall not affect their character as an investment, provided that such alteration is in accordance with the laws and regulations of the Contracting Party in whose territory the investment has been made.

3) The term "returns" means amounts yielded by an investment and in particular, though not exclusively, includes profits, dividends, interest, capital gains, royalties, management and technical assistance, licence or other fees, irrespective of the form in which the return is paid.

4) The term "territory" means the territory of either Contracting Party including its territorial sea, as well as the exclusive economic zone over which either Contracting Party exercises sovereign rights for the purpose of exploring and exploiting, conserving and managing the natural resources, whether living or non-living, of the waters superjacent to the sea bed and of the sea bed and its sub-soil.

ARTICLE 2
PROMOTION AND PROTECTION OF INVESTMENTS

1) Each Contracting Party shall in its territory promote investments by investors of the other Contracting Party and admit such investments in accordance with its laws and regulations.
2) Each Contracting Party shall protect within its territory investments made in accordance with its laws and regulations by investors of the other Contracting Party and shall not impair by unreasonable or discriminatory measures the management, operation, maintenance, use, enjoyment, extension, sale or liquidation of such investments.

ARTICLE 3
NATIONAL TREATMENT AND MOST FAVOURED NATION TREATMENT

1) Each Contracting Party shall ensure fair and equitable treatment within its territory to the investments of investors of the other Contracting Party. Each Contracting Party shall accord to investors of the other Contracting Party and to their investments, treatment no less favourable than that it accords to its own investors and their investments or to investors of any third country, with respect to the management, operation, maintenance, use, enjoyment, extension, sale or liquidation of an investment, whichever is more favourable to the investor.

2) The most favoured nation treatment shall not be construed so as to oblige a Contracting Party to extend to the investors and investments of the other Contracting Party the advantages resulting from:
   a) any existing or future customs or economic union, free trade area or regional economic organization, any multilateral agreement on investments, to which either of the Contracting Parties is or becomes a member; or
   b) any international agreement or arrangement relating wholly or partly to taxation or any domestic legislation relating to taxation.
ARTICLE 4

2) Each Contracting Party shall promptly respond to specific questions and provide, upon request, information to the other Contracting Party on matters referred to in paragraph 1.

3) No Contracting Party shall be required to furnish or allow access to information concerning particular investors or investments the disclosure of which would impede law enforcement or would be contrary to its laws and regulations protecting confidentiality.

ARTICLE 5
EXPROPRIATION AND COMPENSATION

1) Investments by investors of either Contracting Party shall enjoy full protection and security in the territory of the other Contracting Party.

2) Neither of the Contracting Parties shall take, either directly or indirectly, measures of expropriation, nationalization or any other measures having the same nature or the same effect against investments of investors of the other Contracting Party, unless the measures are taken in the public interest, on a non-discriminatory basis, and under due process of law, and accompanied by the payment of prompt, effective and adequate compensation. Such compensation shall be equivalent to the fair market value of the expropriated investment immediately before the date on which the actual or impending expropriation, nationalization or comparable measure has become publicly known. The compensation shall be paid
without delay and shall carry interest at a commercial rate established on a market basis for the currency of payment until the actual date of payment. In case of delay any exchange rate loss arising from this delay shall be borne by the host country. The compensation shall be effectively realizable and freely transferable. The legality of any such expropriation, nationalization or comparable measure and the amount of compensation shall be subject to review by a judicial authority or another competent and independent authority of the latter Contracting Party.

3) The provisions of paragraph 2 of this Article shall also apply where a Contracting Party expropriates the assets of a company which is constituted under the laws in force in any part of its own territory and in which investors of the other Contracting Party own shares.

ARTICLE 6
COMPENSATION FOR DAMAGES OR LOSSES

1) Investors of either Contracting Party whose investments suffer losses in the territory of the other Contracting Party owing to war or other armed conflict, revolution, a state of national emergency, revolt, or “force majeure”, shall be accorded treatment, as regards restitution, indemnification, compensation or other valuable consideration, no less favourable than that which the latter Contracting Party accords to its own investors or to investors of any third State whichever is more favourable. Such payments shall be freely transferable.

2) An investor of a Contracting Party who in any of the events referred to in paragraph 1 suffers loss resulting from:
   a) requisitioning of its investment or part thereof by the forces or authorities of the other Contracting Party, or

**ARTICLE 7**

3) In the absence of a market for foreign exchange, the rate to be used shall be the most recent exchange rate for conversion of currencies into Special Drawing Rights.

ARTICLE 8
PRINCIPLE OF SUBROGATION

If either Contracting Party or its designated agency makes a payment to one of its investors under a guarantee or a contract of insurance it has granted in regard of an investment in the territory of the other Contracting Party, the latter shall recognize the assignment, whether under a law or pursuant to a legal transaction, of any right or title of that investor to the first Contracting Party or its designated agency. The latter Contracting Party shall also recognize the subrogation of the former Contracting Party to any such right or claim which that Contracting Party shall be entitled to assert to the same extent as its predecessor in title. However, in case the dispute is submitted to ICSID, the investor or a designated agency organised under private law may initiate and pursue the case against the latter Contracting Party.

ARTICLE 9
OTHER OBLIGATIONS

1) If the legislation of either Contracting Party or obligations under international law existing at present or established hereafter between the Contracting Parties in addition to this Agreement contain a provision, whether general or specific, entitling investments by investors of the other
Contracting Party to treatment more favourable than is provided for by this Agreement, such a provision shall, to the extent that it is more favourable, prevail over this Agreement.

2) Each Contracting Party shall observe any other obligation it may have entered with regard to investments in its territory by investors of the other Contracting Party.

ARTICLE 10
DENIAL OF BENEFITS

A Contracting Party may deny the benefits of this Agreement to an investor of the other Contracting Party and to its investments, if investors of a Non-Contracting Party own or control the first mentioned investment and the first mentioned investor has no substantial business activity in the territory of the Contracting Party under whose law it is constituted or organized.
