APPENDIX 2-A-1

TARIFF RATE QUOTA ADMINISTRATION OF KOREA

1. This Appendix shall apply to TRQs provided for in this Agreement and set out modifications to the HSK that reflect the TRQs that Korea shall apply to certain originating goods under this Agreement. In particular, originating goods of Viet Nam included under this Appendix shall be subject to the rates of duty as set out in this Appendix in lieu of the rates of duty specified in Chapters 1 through 97 of the HSK. Notwithstanding any other provision of the HSK, originating goods of Viet Nam in the quantities described in this Appendix shall be permitted entry into the territory of Korea as provided for in this Appendix. Furthermore, any quantity of originating goods imported from Viet Nam under a TRQ provided for in this Appendix shall not be counted toward the in-quota amount of any TRQ provided for such goods elsewhere in the HSK.

2. (a) The aggregate quantity of originating goods of Viet Nam described in subparagraph (c) that shall be permitted to enter free of customs duties in a particular year is specified below:

<table>
