ON
THE PROMOTION AND PROTECTION OF INVESTMENTS**

The Government of the Republic of Singapore and the Government of Burkina Faso (hereinafter referred to individually as "Singapore" or "Burkina Faso", respectively as a "Party", and collectively as "Parties"),

DESIRING to create favourable conditions for greater economic co-operation between them and in particular for investments by investors of one State in the territory of the other State based on the principles of equality and mutual benefit;

² The term “investment” does not include an order or judgment entered in a judicial or administrative action.

³ For the purpose of this Agreement, “loans and other debt instruments” described in (c) and “claims to money or to any contractual performance” described in (f) of this Article refer to assets which relate to a business activity and do not refer to assets which are of a personal nature, unrelated to any business activity.

territory means:

- (a) in respect of Singapore: its land territory, internal waters and territorial sea, as well as any maritime area situated beyond the territorial sea which has been or might in the future be designated under its national law, in accordance with international law, as an area within which Singapore may exercise sovereign

ARTICLE 2 APPLICABILITY OF AGREEMENT

1. Each Party shall admit the entry of investments made by investors of the other Party pursuant to its applicable laws and regulations.
2. This Agreement shall apply to all investments made by investors of one Party in the territory of the other Party, whether made before or after the entry into force of this Agreement, but shall not apply to claims arising out of events which occurred, or claims which had been raised, prior to the entry into force of this Agreement.
3. This Agreement shall not apply to:
 - (a) subsidies or grants provided by a Party, including government-supported loans, guarantees, and insurance, or to any conditions attached to the receipt or continued receipt of such subsidies or grants, whether or not such subsidies or grants are offered exclusively to investors of the Party or investments of investors of the Party; and
 - (b) matters of taxation in the territory of either Party. Such matters shall be governed by any treaty for the avoidance of double taxation between the two Parties and the domestic laws of each Party.

CHAPTER II: PROTECTION

ARTICLE 3 MINIMUM STANDARDS OF TREATMENT

1. Each Party shall accord to covered investments treatment in accordance with customary international law minimum standard of treatment of aliens,⁴ including fair and equitable treatment and full protection and security.
2. For greater certainty, paragraph 1 prescribes the customary international law minimum standard of treatment of aliens as the minimum standard of treatment to be afforded to covered investments. The obligation to provide “fair and equitable treatment” and “full protection and security” as described below do not require treatment in addition to or beyond that which is required by the customary international law minimum standard of treatment of aliens, and do not create additional substantive rights.
 - (a) The obligation to provide “fair and equitable treatment” includes the obligation not to deny justice in criminal, civil or administrative adjudicatory proceedings in accordance with the principle of due process embodied in the principal legal systems of the world.
 - (b) The obligation to provide “full protection and security” requires each Party to provide the level of police protection required under customary international law.
3. A determination that there has been a breach of another provision of this Agreement, or of a separate international agreement, does not establish that there has been a breach of this Article.

ARTICLE 4 MOST-FAVOURLED NATION TREATMENT

1. Each Party shall accord to investments of investors of the other Party treatment no less favourable than that it accords, in like circumstances, to investments in its territory of investors of any non-Party with respect to the management, conduct, operation, and sale or other disposition of investments.
2. The provisions of this Article shall not be construed so as to oblige one Party to extend to the investors of the other Party and investments of investors of the other Party the benefit of any treatment, preference or privilege resulting from:
 - (a) any existing or future customs union, free trade area, free trade arrangement, common market, monetary union or similar international agreement or other forms of regional cooperation to which either of the Parties is or may become a

⁴ Customary international law results from a general and consistent practice of States that they follow from a sense of legal obligation. With regard to this article, the customary international law minimum standard of treatment of aliens refers to all customary international law principles that protect the economic rights and interests of aliens.

party; or the adoption of an agreement designed to lead to the formation or extension of such a union, area or arrangement;

- (b) any existing bilateral investment agreements;
- (c) any existing or future international investment agreements between or among ASEAN Member States for Singapore and ECOWAS for Burkina Faso, including investment agreements or free trade agreements between or among Member States of ASEAN or ECOWAS, respectively, and any one or more third States; or
- (d) any arrangement with a non-Party or parties in the same geographical region designed to promote regional cooperation in the economic, social, labour, industrial or monetary fields within the framework of specific projects.

3. For greater certainty, paragraphs 1 and 2 shall not be construed as granting to investors options or procedures for the settlement of disputes other than those set out in Section One (Settlement of Disputes between a Party and an Investor of the other Party) of Chapter III (Dispute Settlement).

ARTICLE 5 EXPROPRIATION⁵

1. Neither Party shall nationalise, expropriate or subject to measures having effect equivalent to nationalisation or expropriation (hereinafter referred to as "expropriation") the investments of investors of the other Party unless such a measure is taken on a non-discriminatory basis, for a public purpose, in accordance with due process of law, and upon payment of compensation in accordance with this Article.

2. The expropriation shall be accompanied by the payment of prompt, adequate and effective compensation. Compensation shall be equivalent to the fair market value of the expropriated investment immediately before the expropriation or before the impending expropriation became public knowledge, whichever is earlier. Such compensation shall be effectively realisable, freely usable, and freely transferable in accordance with Article 7 (Transfers) and made without undue delay. The compensation shall include interest at a commercially reasonable rate for that currency, accrued from the date of expropriation until the date of payment.

3. Notwithstanding paragraphs 1 and 2, any measure of expropriation relating to land, which shall be defined in the existing domestic legislation of the expropriating Contracting Party on the date of entry into force of this Agreement, shall be for a purpose and upon payment of compensation in accordance with the aforesaid legislation.

4. Any measure of expropriation or valuation may, at the request of the investors affected, be reviewed by a judicial or other independent authority of the Party taking the measure in the manner prescribed by its laws.

⁵ Article 5 (Expropriation) is to be interpreted in accordance with Annex 1 (Expropriation).

5. This Article does not apply to the issuance of compulsory licenses granted in relation to intellectual property rights, or to the revocation, limitation or creation of intellectual property rights, to the extent that such issuance, revocation, limitation or creation is consistent with the *Agreement on Trade-Related Aspects of Intellectual Property Rights* in Annex 1C to the WTO Agreement ("TRIPS Agreement").

ARTICLE 6 COMPENSATION FOR LOSSES

1. Investors of one Party whose investments in the territory of the other Party suffer losses owing to war or other armed conflict, civil disturbances, a state of national emergency, revolt, insurrection, riot or other similar situations in the territory of the latter Party, shall be accorded by the latter Party treatment, as regards restitution, indemnification, compensation or other settlement, if any, no less favourable than that which the latter Party accords to investors of any non-Party or to its own investors, whichever is more favourable. Any resulting compensation shall be made in freely usable currency and be freely transferable in accordance with Article 7 (Transfers).

2. Notwithstanding paragraph 1, if an investor of a Party, in the situations referred to in paragraph 1, suffers a loss in the territory of another Party resulting from:

- (a) requisitioning of its covered investment or part thereof by the latter's forces or authorities; or
- (b) destruction of its covered investment or part thereof by the latter's forces or authorities, which was not required by the necessity of the situation,

the latter Party shall provide the investor restitution, compensation, or both, as appropriate, for such loss.

ARTICLE 7 TRANSFERS

1. Each Party shall permit all transfers relating to investments in its territory of an investor of the other Party to be made freely and without delay into and out of its territory. Such transfers include:

- (a) contributions to capital, including the initial contribution;
- (b) profits, dividends, capital gains, and proceeds from the sale of all or any part of the investment or from the partial or complete liquidation of the investment;
- (c) interest, royalty payments, management fees, and technical assistance and other fees;
- (d) payments made under a contract entered into by the investor, or its investment, including payments made pursuant to a loan agreement;

- (e) payments made pursuant to Article 5 (Expropriation) and Article 6 (Compensation for Losses); and
 - (f) payments arising under Chapter III (Dispute Settlement).
2. Each Party shall permit such transfers to be made in a freely usable currency at the market rate of exchange prevailing at the time of transfer.
3. Notwithstanding paragraphs 1 and 2, a Party may prevent a transfer through the equitable, non-discriminatory, and good faith application of its laws relating to:
- (a) bankruptcy, insolvency, or the protection of the rights of creditors;
 - (b) issuing, trading, or dealing in securities, futures, options, or derivatives;
 - (c) financial reporting or record keeping of transfers when necessary to assist law enforcement or financial regulatory authorities;
 - (d) criminal or penal offenses;
 - (e) ensuring compliance with orders or judgments in judicial or administrative proceedings; or
 - (f) social security, public retirement or compulsory savings schemes.
4. Nothing in this Agreement shall affect the rights and obligations of the members of the International Monetary Fund under the *Articles of Agreement* of the Fund, including the use of exchange actions which are in conformity with the *Articles of Agreement*, provided that a Party shall not impose restrictions on any capital transactions inconsistently with its obligations under this Agreement regarding such transactions, except under Article 8 (Restrictions to Safeguard the Balance of Payments) or at the request of the Fund.

ARTICLE 8 RESTRICTIONS TO SAFEGUARD THE BALANCE OF PAYMENTS

1. In the event of serious balance of payments and external financial difficulties or threat thereof, a Party may adopt or maintain restrictions on payments or transfers related to investments. It is recognised that particular pressures on the balance of payments of a Party in the process of economic development may necessitate the use of restrictions to ensure, *inter alia*, the maintenance of a level of financial reserves adequate for the implementation of its programme of economic development.
2. The restrictions referred to in paragraph 1 shall:
- (a) be consistent with the *Articles of Agreement* of the International Monetary Fund;

- (b) avoid unnecessary damage to the commercial, economic and financial interests of the other Party;
 - (c) not exceed those necessary to deal with the circumstances described in paragraph 1;
 - (d) be temporary and be phased out progressively as the situation specified in paragraph 1 improves; and
 - (e) be applied on a national treatment basis and such that the other Party is treated no less favourably than any non-Party.
3. Any restrictions adopted or maintained under paragraph 1, or any changes therein, shall be promptly notified to the other Party.
4. The Party adopting any restrictions under paragraph 1 shall commence consultations with the other Party in order to review the restrictions adopted by it.

ARTICLE 9 SUBROGATION

1. In the event that either Party (or any agency, institution, statutory body or corporation designated by it) as a result of an indemnity it has given in respect of an investment or any part thereof makes payment to its own investors in respect of any of their claims under this Agreement, the other Party acknowledges that the former Party (or any agency, institution, statutory body or corporation designated by it) is entitled by virtue of subrogation to exercise the rights and assert the claims of its own investors. The subrogated rights or claims shall not be greater than the original rights or claims of the said investor.
2. Any payment made by one Party (or any agency, institution, statutory body or corporation designated by it) to its investors shall not affect the right of such investors to make their claims against the other Party in accordance with Section One (Settlement of Disputes between a Party and an Investor of the other Party) of Chapter III (Dispute Settlement).

CHAPTER III: DISPUTE SETTLEMENT

SECTION ONE: SETTLEMENT OF DISPUTES BETWEEN A PARTY AND AN INVESTOR OF THE OTHER PARTY

ARTICLE 10 SCOPE

1. This Section shall apply to disputes between a Party and an investor of the other Party concerning an alleged breach of an obligation of the former under this Agreement which causes loss or damage to the investor or its investment.

2. This Section shall not apply to any dispute concerning any measure adopted or maintained or any treatment accorded to investors or investments by a Party in respect of tobacco or tobacco-related products⁶ that is aimed at protecting or promoting human health.

ARTICLE 11 INSTITUTION OF ARBITRAL PROCEEDINGS

1. The disputing parties shall initially seek to resolve the dispute by consultations and negotiations.

2. Where the dispute cannot be resolved as provided for under paragraph 1 within 6 months from the date of a written request for consultations and negotiations, the disputing investor (hereinafter referred to as the "claimant") may submit to arbitration:

- (a) a claim, on its own behalf, that the respondent has breached an obligation under this Agreement and the investor has incurred loss or damage by reason of, or arising out of, that breach.
- (b) a claim, on behalf of an enterprise of the respondent that is a juridical person that the disputing investor owns or controls, either directly or indirectly, that the respondent has breached an obligation under this Agreement and the enterprise has incurred loss or damage by reason of, or arising out of, that breach.

3. A disputing investor may submit the claim to arbitration:

- (a) under the ICSID Convention and the ICSID Arbitration Rules, provided that both the disputing Party (hereinafter referred to as the "respondent") and the Party of the claimant are parties to the ICSID Convention;
- (b) under the ICSID Additional Facility Rules, provided that either the respondent or the Party of the claimant is a party to the ICSID Convention;
- (c) under the UNCITRAL Arbitration Rules; or
- (d) to any other arbitral institutions or under any other arbitration rules, if the disputing parties so agree.

4. Each Party hereby consents to the submission of a dispute to arbitration under paragraph 2 in accordance with the provisions of this Section, conditional upon:

- (a) the submission of the dispute to such arbitration taking place within three years of the time at which the disputing investor became aware, or should

⁶ For the purpose of this Agreement, "tobacco products" means products under Harmonised System Chapter 24 (Tobacco and Manufactured Tobacco Substitutes) and tobacco-related products falling outside Harmonised System Chapter 24 (Tobacco and Manufactured Tobacco Substitutes).

- reasonably have become aware, of a breach of an obligation under this Agreement causing loss or damage to the disputing investor or its investment;
- (b) the disputing investor not being an enterprise of the respondent Party until the disputing investor refers the dispute for arbitration pursuant to paragraph 2;
 - (c) the disputing investor providing written consent to arbitration in accordance with the provisions set out in this Section; and
 - (d) the disputing investor providing written notice, which shall be submitted at least 30 days before the claim is submitted, to the respondent Party of its intent to submit the dispute to such arbitration and which:
 - (i) states the name and address of the disputing investor and, where a dispute is submitted on behalf of an enterprise, the name, address, and place of constitution of the enterprise;
 - (ii) nominates one of the fora referred to in paragraph 2 as the forum for dispute settlement;
 - (iii) waives its right to initiate or continue any proceedings (excluding proceedings for interim measures of protection referred to in paragraph 1 of Article 15 (Interim Measure of Protection and Diplomatic Protection)) before any of the other dispute settlement fora referred to in paragraph 2 in relation to the matter under dispute; and
 - (iv) briefly summarises the alleged breach of the respondent Party under this Agreement (including the provisions alleged to have been breached), the legal and factual basis for the dispute, and the loss or damage allegedly caused to the disputing investor or its investment by reason of that breach.

5. The consent under paragraph 3 and the submission of a claim to arbitration under this Section shall satisfy the requirements of:

- (a) Chapter II of the ICSID Convention (Jurisdiction of the Centre) and the ICSID Additional Facility Rules for written consent of the parties to the dispute; and
- (b) Article II of the New York Convention for an "agreement in writing".

6. A claim that is submitted for arbitration under this Section shall be considered to arise out of a commercial relationship or transaction for purposes of Article I of the New York Convention.

ARTICLE 12 CONSTITUTION OF THE ARBITRAL TRIBUNAL

1. Unless the disputing parties otherwise agree, the arbitral tribunal shall be composed of three arbitrators, who shall not be nationals or permanent residents of either Party. Each

disputing party shall appoint one arbitrator and the disputing parties shall agree upon a third arbitrator, who shall be the chairman of the arbitral tribunal. If an arbitral tribunal has not been established within 90 days from the date on which the claim was submitted to arbitration, either because a disputing party failed to appoint an arbitrator or because the disputing parties failed to agree upon the chairman, the Secretary-General of ICSID, upon request of either disputing party, shall appoint, at his own discretion, the arbitrator or arbitrators not yet appointed. If the Secretary-General is a national or permanent resident of either Party, or he or she is otherwise unable to act, the Deputy Secretary-General, who is not a national or permanent resident of either Party, may be invited to make the necessary appointments.

2. The arbitrators shall:
 - (a) have experience or expertise in public international law, international trade law or international investment law; and
 - (b) be independent from the Parties and the disputing investor, and not be affiliated to or receive instructions from any of them.

ARTICLE 13 PLACE OF ARBITRATION

Unless the disputing parties otherwise agree, the tribunal shall determine the place of arbitration in accordance with the applicable arbitration rules, provided that the place shall be in the territory of a State that is a party to the New York Convention.

ARTICLE 14 THE ARBITRAL PROCEEDINGS

1. A tribunal established under this Section shall decide the issues in dispute in accordance with this Agreement and the applicable rules and principles of international law.
2. Without prejudice to a tribunal's authority to address other objections as a preliminary question, such as an objection that a dispute is not within the competence of the tribunal, a tribunal shall address and decide as a preliminary question any objection by the respondent Party that, as a matter of law, a claim submitted is not a claim for which an award in favour of the disputing investor may be made under Article 16 (Award).
 - (a) Such objection shall be submitted to the tribunal as soon as possible after the tribunal is constituted, and in no event later than the date the tribunal fixes for the respondent Party to submit its counter-memorial (or, in the case of an amendment to the notice of arbitration, the date the tribunal fixes for the respondent Party to submit its response to the amendment).
 - (b) On receipt of an objection under this paragraph, the tribunal shall suspend any proceedings on the merits, establish a schedule for considering the objection consistent with any schedule it has established for considering any other

preliminary question, and issue a decision or award on the objection, stating the grounds therefor.

- (c) In deciding an objection under this paragraph, the tribunal shall assume to be true claimant's factual allegations in support of any claim in the notice of arbitration (or any amendment thereof) and, in disputes brought under the UNCITRAL Arbitration Rules, the statement of claim referred to in the relevant article of the UNCITRAL Arbitration Rules. The tribunal may also consider any relevant facts not in dispute.
- (d) The disputing Party does not waive any objection as to competence or any argument on the merits merely because the disputing Party did or did not raise an objection under this paragraph or make use of the expedited procedure set out in paragraph 3.

3. In the event that the disputing Party so requests within 45 days after the tribunal is constituted, the tribunal shall decide on an expedited basis an objection under paragraph 2 and any objection that the dispute is not within the tribunal's competence. The tribunal shall suspend any proceedings on the merits and issue a decision or award on the objection(s), stating the grounds therefor, no later than 150 days after the date of the request. However, if a disputing party requests a hearing, the tribunal may take an additional 30 days to issue the decision or award. Regardless of whether a hearing is requested, a tribunal may, on a showing of extraordinary cause, delay issuing its decision or award by an additional brief period, which may not exceed 30 days.

4. When it decides a disputing Party's objection under paragraph 2 or 3, the tribunal may, if warranted, award to the prevailing disputing party reasonable costs and attorney's fees incurred in submitting or opposing the objection. In determining whether such an award is warranted, the tribunal shall consider whether either the claimant's claim or the disputing Party's objection was frivolous, and shall provide the disputing parties a reasonable opportunity to comment.

ARTICLE 15

INTERIM MEASURES OF PROTECTION AND DIPLOMATIC PROTECTION

1. Neither Party shall prevent the disputing investor from seeking interim measures of protection, not involving the payment of damages or resolution of the substance of the matter in dispute before the courts or administrative tribunals of the respondent Party, prior to the institution of proceedings before any of the dispute settlement fora referred to in paragraph 2 of Article 11 (Institution of Arbitral Proceedings), for the preservation of its rights and interests.

2. Neither Party shall give diplomatic protection, or bring an international claim, in respect of a dispute which one of its investors and the other Party shall have consented to submit or have submitted to arbitration under this Section, unless such other Party has failed to abide by and comply with the award rendered in such dispute. Diplomatic protection, for the purposes of this paragraph, shall not include informal diplomatic exchanges for the sole purpose of facilitating a settlement of the dispute.

ARTICLE 16
AWARD

1. Where a tribunal makes a final award against a respondent Party, the tribunal may award, separately or in combination, only:
 - (a) monetary damages and any applicable interest; and
 - (b) restitution of property, in which case the award shall provide that the respondent Party may pay monetary damages and any applicable interest in lieu of restitution.

A tribunal may also award costs and attorney's fees in accordance with this Section and the applicable arbitration rules.

2. Any arbitral award shall be final and binding upon the disputing parties. Each Party shall ensure the recognition and enforcement of the award in accordance with its relevant laws and regulations.
3. Where a claim is submitted on behalf of an enterprise of the respondent Party, the arbitral award shall be made to the enterprise.
4. In any arbitration conducted under this Section, at the request of a disputing party, a tribunal shall, before issuing a decision or award on liability, transmit its proposed decision or award to the disputing parties. Within 60 days after the tribunal transmits its proposed decision or award, the disputing parties may submit written comments to the tribunal concerning any aspect of the proposed decision or award. The tribunal shall consider any such comments and issue its decision or award not later than 45 days after the expiration of the 60-day comment period.

ARTICLE 17
CONSOLIDATION

1. Where two or more claims have been submitted separately to arbitration under this Section, and the claims raised have a question of law or fact in common and arise out of the same events or circumstances, any disputing party may seek a consolidation order, in accordance with the agreement of all the disputing parties sought to be covered by the order or the terms of this Article.
2. A disputing party that seeks a consolidation order under this Article shall deliver, in writing, a request to the Secretary-General of ICSID and to all the disputing parties sought to be covered by the order, specifying the name and address of all the disputing parties sought to be covered by the order; the nature of the order sought; and the grounds on which the order is sought.
3. Unless the Secretary-General of ICSID finds within 30 days after receiving a request in conformity with paragraph 2 that the request is manifestly unfounded, a tribunal shall be established under this Article.

4. Unless all the disputing parties sought to be covered by the consolidation order otherwise agree, the tribunal established under this Article shall comprise three arbitrators, who shall not be nationals or permanent residents of either Party, and who shall be appointed as follows:

- (a) one arbitrator appointed by agreement of the disputing investors;
- (b) one arbitrator appointed by the respondent Party; and
- (c) the chairman of the arbitral tribunal appointed by the Secretary-General of ICSID.

5. If, within the 60 days after the Secretary-General receives a request made under paragraph 2, the respondent Party fails or the disputing investors fail to appoint an arbitrator in accordance with paragraph 4, the Secretary-General, on request of any disputing party sought to be covered by the order, shall appoint the arbitrator or arbitrators not yet appointed.

6. Where a tribunal established under this Article is satisfied that two or more claims that have been submitted to arbitration in accordance with Article 11 (Institution of Arbitral Proceedings) have a question of law or fact in common, and arise out of the same events or circumstances, the tribunal may, in the interest of fair and efficient resolution of the claims, and after hearing the disputing parties, by order:

- (a) assume jurisdiction over, and hear and determine together, all or part of the claims;
- (b) assume jurisdiction over, and hear and determine one or more claims, whose determination it considers would assist in the resolution of the other claims; or
- (c) instruct a tribunal previously established under Article 12 (Constitution of the Arbitral Tribunal) to assume jurisdiction over and to hear and determine together, all or part of the claims, provided that:
 - (i) that tribunal, at the request of any disputing investor, not previously a disputing party before that tribunal, shall be reconstituted with its original members, except that the arbitrator for the disputing investors shall be appointed pursuant to paragraphs 4(a) and 5; and
 - (ii) that tribunal shall decide whether any previous hearing must be repeated.

7. Where a tribunal has been established under this Article, a disputing investor that has submitted a claim to arbitration pursuant to Article 11 (Institution of Arbitral Proceedings) and that has not been named in a request made under paragraph 2, may make a written request to the tribunal that it be included in any order issued under paragraph 6, specifying:

- (a) the name and address of the disputing investor;
- (b) the nature of the order sought; and

- (c) the grounds on which the order is sought.

The claimant shall provide the Secretary-General with a copy of his request.

8. A tribunal established pursuant to this Article shall conduct the proceedings in accordance with the UNCITRAL Arbitration Rules, except as modified by this Section.

9. A tribunal established under Article 12 (Constitution of the Arbitral Tribunal) shall not have jurisdiction to decide a claim or a part of a claim over which a tribunal established or instructed under this Article has assumed jurisdiction.

10. On application of a disputing party, a tribunal established pursuant to this Article may, pending its decision under paragraph 6, order that the proceedings of a tribunal established under Article 12 (Constitution of the Arbitral Tribunal) be stayed, unless the latter tribunal has already adjourned its proceedings.

SECTION TWO: SETTLEMENT OF DISPUTES BETWEEN THE PARTIES

ARTICLE 18 SCOPE

1. This Section applies to the settlement of disputes between the Parties arising from the interpretation or application of the provisions of this Agreement.
2. This Section shall not apply to any dispute concerning any measure adopted or maintained or any treatment accorded to investors or investments by a Party in respect of tobacco or tobacco-related products⁷ that is aimed at protecting or promoting human health.

ARTICLE 19 CONSULTATIONS AND NEGOTIATIONS

1. Either Party may request in writing, consultations on the interpretation or application of this Agreement. If a dispute arises between the Parties on the interpretation or application of this Agreement, it shall, to the extent possible, be settled amicably through consultations and negotiation.
2. In the event the dispute is not settled through the means mentioned above within six months from the date such negotiations or consultations were requested in writing, either Party may submit such dispute to an arbitral tribunal established in accordance with this Section or, by agreement of the Parties, to any other international tribunal.

⁷ For the purpose of this Agreement, "tobacco products" means products under Harmonised System Chapter 24 (Tobacco and Manufactured Tobacco Substitutes) and tobacco-related products falling outside Harmonised System Chapter 24 (Tobacco and Manufactured Tobacco Substitutes).

ARTICLE 20
CONSTITUTION OF THE ARBITRAL TRIBUNAL

1. Arbitration proceedings shall initiate upon written notice delivered by one Party (hereinafter referred to as "requesting Party") to the other Party (hereinafter referred to as "respondent Party") through diplomatic channels. Such notice shall contain a statement setting forth the provisions of Chapter II alleged to have been breached, the legal and factual grounds of the claim, a summary of the development and results of the consultations and negotiations pursuant to Article 19 (Consultations and Negotiations), the requesting Party's intention to initiate proceedings under this Section and the name of the arbitrator appointed by such requesting Party.

2. Within 30 days after delivery of such notice, the respondent Party shall notify the requesting Party of the name of its appointed arbitrator.

3. Within 30 days following the date on which the second arbitrator was appointed, the Parties shall appoint, by mutual agreement, a third arbitrator, who shall be the chairman of the arbitral tribunal. In the event that the Parties fail to mutually agree on the appointment of the third arbitrator, the arbitrators appointed by the Parties shall, within 30 days, appoint the third arbitrator, who shall be the chairman of the arbitral tribunal.

4. The arbitrators shall:

- (a) have experience or expertise in public international law, international trade law or international investment law; and
- (b) be independent from the Parties, and not be affiliated to or receive instructions from either of them.

5. With regards to the selection of arbitrators under paragraphs 1, 2 and 3 of this Article, both Parties and, where relevant, the arbitrators appointed by them, shall not select arbitrators that are nationals or permanent residents of either Party.

6. If within the time limits set forth in paragraphs 2 and 3 above, the required appointments have not been made, either Party may invite the President of the International Court of Justice to appoint the arbitrator or arbitrators not yet appointed. If the President is a national or a permanent resident of either Party, or he or she is otherwise unable to act, the Vice-President shall be invited to make the said appointments. If the Vice-President is a national or a permanent resident of either Party, or he or she is otherwise unable to act, the Member of the International Court of Justice next in seniority who is not a national nor a permanent resident of either Party shall be invited to make the necessary appointments.

7. In case an arbitrator appointed under this Article resigns or becomes unable to act, a successor shall be appointed in the same manner as prescribed for the appointment of the original arbitrator, and he or she shall have the same powers and duties that the original arbitrator had.

8. Each Party shall bear the costs of its appointed arbitrator and of any legal representation in the proceedings. The costs of the chairman of the arbitral tribunal and of

other expenses associated with the conduct of the arbitration shall be borne equally by the Parties, unless the arbitral tribunal decides that a higher proportion of costs be borne by one of the Parties.

**ARTICLE 21
PLACE OF ARBITRATION**

Unless the Parties agree otherwise, the place of arbitration shall be determined by the tribunal.

**ARTICLE 22
THE ARBITRAL PROCEEDINGS**

1. A tribunal established under this Section shall decide all questions relating to its competence and, subject to any agreement between the Parties, determine its own procedure. At any stage of the proceedings, the arbitral tribunal may propose to the Parties that the dispute be settled amicably. At all times, the arbitral tribunal shall afford a fair hearing to the Parties.

2. The arbitral tribunal shall decide the issues in dispute in accordance with this Agreement and the applicable rules and principles of international law.

3. The arbitral tribunal shall reach its decision by majority vote. The award shall be issued in writing and shall contain the applicable factual and legal findings. A signed award shall be delivered to each Party. The award shall be final and binding on the Parties.

CHAPTER IV: FINAL PROVISIONS

**ARTICLE 23
OTHER OBLIGATIONS**

If the legislation of either Party or international obligations existing at present or established hereafter between the Parties in addition to this Agreement, result in a position entitling investments by investors of the other Party to treatment more favourable than is provided for by this Agreement, such position shall not be affected by this Agreement.

**ARTICLE 24
DENIAL OF BENEFITS**

Subject to prior notification and consultation, a Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of such Party and to investments of such an investor where the Party establishes that the enterprise is owned or controlled by persons of a non-Party, or of the denying Party, and has no substantive business operations in the territory of the other Party.

**ARTICLE 25
TRANSPARENCY**

1. Each Party shall ensure that its laws, regulations and administrative rulings of general application pertaining to or affecting any matter covered by this Agreement are promptly published or otherwise made available in such a manner as to enable interested persons or Parties to become acquainted with them. International agreements pertaining to or affecting investors or investment activities to which a Party is a signatory shall also be published.
2. To the extent possible, each Party shall make the measures and international agreements of the kind referred to in paragraph 1 available on the internet. Each Party shall, upon request by the other Party, promptly respond to specific questions from and provide information to the other Party with respect to matters referred to in paragraph 1.

**ARTICLE 26
DISCLOSURE OF INFORMATION**

Nothing in this Agreement shall require either Party to provide confidential information the disclosure of which would impede law enforcement, or otherwise be contrary to the public interest, or which would prejudice the legitimate commercial interests of particular enterprises, public or private.

**ARTICLE 27
GENERAL EXCEPTIONS⁸**

Subject to the requirement that such measures are not applied in a manner which would constitute a means of arbitrary or unjustifiable discrimination against the other Party or its investors where like conditions prevail, or a disguised restriction on investments of investors of the other Party in the territory of a Party, nothing in this Agreement shall be construed to prevent the adoption or enforcement by a Party of measures:

- (a) necessary to protect public morals or to maintain public order⁹;
- (b) necessary to protect human, animal or plant life or health;
- (c) necessary to secure compliance with laws or regulations which are not inconsistent with the provisions of this Agreement including those relating to:
 - (i) the prevention of deceptive and fraudulent practices or to deal with the effects of a default on a contract;

⁸ For greater certainty, the application of the general exception to these provisions shall not be interpreted so as to diminish the ability of governments to take measures where investors are not in like circumstances due to the existence of legitimate regulatory objectives.

⁹ The public order exception may be invoked only where a genuine and sufficiently serious threat is posed to one of the fundamental interests of society.

- (ii) the protection of the privacy of individuals in relation to the processing and dissemination of personal data and the protection of confidentiality of individual records and accounts; or
- (iii) safety;
- (d) imposed for the protection of national treasures of artistic, historic or archaeological value; or
- (e) relating to the conservation of exhaustible natural resources if such measures are made effective in conjunction with restrictions on domestic production or consumption.

ARTICLE 28 SECURITY EXCEPTIONS

Nothing in this Agreement shall be construed to:

- (a) require a Party to furnish any information, the disclosure of which it considers contrary to its essential security interests; or
- (b) preclude a Party from applying measures that it considers necessary for the fulfilment of its obligations with respect to the maintenance or restoration of international peace or security, or the protection of its own essential security interests.

ARTICLE 29 ENTRY INTO FORCE, DURATION AND TERMINATION

1. Each Party shall notify the other Party of the fulfillment of its internal legal procedures required for the bringing into force of this Agreement. This Agreement shall enter into force on the thirtieth day from the date of notification of the later Party.
2. The Agreement may be amended by mutual consent of the Parties in writing. The amendments shall enter into force in accordance with the same legal procedure prescribed under the first paragraph of this Article.
3. This Agreement shall remain in force for a period of 15 years and shall continue in force thereafter unless, after the expiry of the initial period of 14 years, either Party notifies in writing the other Party of its intention to terminate this Agreement. The notice of termination shall become effective one year after it has been received by the other Party.
4. In respect of investments made prior to the date when the notice of termination of this Agreement becomes effective, the provisions of this Agreement shall remain in force for a further period of 15 years from that date.

Expropriation

The Parties confirm their shared understanding that:

1. An action or a series of actions by a Party cannot constitute an expropriation unless it interferes with a tangible or intangible property right or property interest in an investment.
2. Paragraph 1 of Article 5 (Expropriation) addresses two situations. The first is direct expropriation, where an investment is nationalised or otherwise directly expropriated through formal transfer of title or outright seizure.
3. The second situation addressed by paragraph 1 of Article 5 (Expropriation) is indirect expropriation, where an action or series of actions by a Party has an effect equivalent to direct expropriation without formal transfer of title or outright seizure.
 - (a) The determination of whether an action or series of actions by a Party, in a specific fact situation, constitutes an indirect expropriation, requires a case-by-case, fact-based inquiry that considers, among other factors:
 - (i) the economic impact of the government action, although the fact that an action or series of actions by a Party has an adverse effect on the economic value of an investment, standing alone, does not establish that an indirect expropriation has occurred;
 - (ii) the extent to which the government action interferes with distinct, reasonable investment-backed expectations; and
 - (iii) the character of the government action.
 - (b) Except in rare circumstances, non-discriminatory regulatory actions by a Party that are designed and applied to protect legitimate public welfare objectives, such as public health, safety and the environment, do not constitute indirect expropriation.
