Justice.

6. The arbitration awards shall be final and binding for all parties in dispute. Each
Contracting Party commits itself to execute the award according to its national law.

ARTICLE 10

Settlement of Disputes Between The Contracting Parties

1. The Contracting Parties shall seek in good faith and a spirit of cooperation a rapid and
equitable solution to any dispute between them concerning the interpretation or application
of this Agreement. In this regard, the Contracting Parties agree to engage in direct and
meaningful negotiations to arrive at such solutions. If the Contracting Parties cannot reach
an agreement within six (6) months after the beginning of disputes between themselves
through the foregoing procedure, the disputes may be submitted, upon the request of either
Contracting Party, to an arbitral tribunal of three members.
2. Within two (2) months of receipt of a request, each Contracting Party shall appoint an arbitrator. The two arbitrators shall select a third arbitrator as Chairman, who is a national of a third State. In the event either Contracting Party fails to appoint an arbitrator within the specified time, the other Contracting Party may request the President of the International Court of Justice to make the appointment.

3. If both arbitrators cannot reach an agreement about the choice of the Chairman within two (2) months after their appointment, the Chairman shall be appointed upon the request of either Contracting Party by the President of the International Court of Justice.

4. If, in the cases specified under paragraphs 2 and 3 of this Article, the President of the International Court of Justice is prevented from carrying out the said function or if he is a national of either Contracting Party, the appointment shall be made by the Vice-President, and if the Vice-President is prevented from carrying out the said function or if he is a national of either Contracting Party, the appointment shall be made by the most senior member of the Court who is not a national of either Contracting Party.

5. Unless otherwise agreed, the tribunal shall have three (3) months from the date of the selection of the Chairman to agree upon rules of procedure consistent with the other provisions of this Agreement. In the absence of such agreement, the tribunal shall request the President of the International Court of Justice to designate rules of procedure, taking into account generally recognized rules of international arbitral procedure.

6. Unless otherwise agreed, all submissions shall be made and all hearings shall be completed within eight (8) months of the date of selection of the Chairman, and the tribunal shall render its decision within two (2) months after the date of the final submissions or the date of the closing of the hearings, whichever is later. The arbitral tribunal shall reach its decisions, which shall be final and binding, by a majority of votes.

7. Expenses incurred by the Chairman, the other arbitrators, and other costs of the proceedings shall be paid for equally by the Contracting Parties. The tribunal may, however, at its discretion, decide that a higher proportion of the costs be paid by one of the Contracting Parties.

8. A dispute shall not be submitted to an international arbitration court under the provisions of this Article, if the same dispute has been brought before another international arbitration court under the provisions of Article 9 and is still before the court. This will not impair the engagement in direct and meaningful negotiations between both Contracting Parties.

ARTICLE 11

However, this Agreement shall not apply to any disputes that have arisen before its entry into force.
ARTICLE 12

This Agreement shall enter into force on the date of the receipt of the last written notification by which the Contracting Parties notify each other, through diplomatic channels, of the completion of their internal legal procedures required for the entry into force of this Agreement.
