1. Subject to the requirement that such measures are not applied in a manner that would constitute arbitrary or unjustifiable discrimination between investments or between investors, or a disguised restriction on international trade or investment, nothing in this Agreement shall be construed to prevent a Party from adopting or enforcing measures necessary:

   (a) to protect human, animal or plant life or health;
(b) to ensure compliance with laws and regulations that are not inconsistent with the provisions of this Agreement; or

(c) for the conservation of living or non-living exhaustible natural resources.

2. Nothing in this Agreement shall be construed to prevent a Party from adopting or maintaining reasonable measures for prudential reasons, such as:

(b) the maintenance of the safety, soundness, integrity or financial responsibility of financial institutions; and

(c) ensuring the integrity and stability of a Party's financial system.

3. Nothing in this Agreement shall apply to non-discriminatory measures of general application taken by any public entity in pursuit of monetary and related credit policies or exchange rate policies. This paragraph shall not affect a Party’s obligations under Article 7 (Performance Requirements) or Article 14 (Transfer of Funds).

4. Nothing in this Agreement shall be construed:

(a) to require any Party to furnish or allow access to any information the disclosure of which it determines to be contrary to its essential security interests;

6. The provisions of this Agreement shall not apply to investments in cultural industries.

7. Any measure adopted by a Party in conformity with a decision adopted, extended or modified by the World Trade Organization pursuant to Articles IX:3 or IX:4 of the WTO Agreement shall be deemed to be also in conformity with this Agreement. An investor purporting to act pursuant to Section C of this Agreement may not claim that such a conforming measure is in breach of this Agreement.

ARTICLE 11

Health, Safety and Environmental Measures

The Parties recognize that it is inappropriate to encourage investment by relaxing domestic health, safety or environmental measures. Accordingly, a Party should not waive or otherwise derogate from, or offer to waive or otherwise derogate from, such measures as an encouragement for the establishment, acquisition, expansion or retention in its territory of an investment of an investor. If a Party considers that the other Party has offered such an encouragement, it may request consultations with the other Party and the two Parties shall consult with a view to avoiding any such encouragement.

ARTICLE 12

---

7 For greater certainty, Article 13(1) shall be interpreted in accordance with Annex B.13(1) on the clarification of indirect expropriation.

8 The term “public purpose” is a treaty term to be interpreted in accordance with international law. It is not meant to create any inconsistency with the same or similar concepts in the domestic law of the Parties.
2. Such compensation shall be equivalent to the fair market value of the expropriated investment immediately before the expropriation took place (“date of expropriation”), and shall not reflect any change in value occurring because the intended expropriation had become known earlier. Valuation criteria shall include going concern value, asset value including declared tax value of tangible property, and other criteria, as appropriate, to determine fair market value.

3. Compensation shall be paid without delay and shall be fully realizable and freely transferable. Compensation shall be payable in a freely convertible currency and shall include interest at a commercially reasonable rate for that currency from the date of expropriation until date of payment.

4. The investor affected shall have a right, under the law of the Party making the expropriation, to prompt review, by a judicial or other independent authority of that Party, of its case and of the valuation of its investment in accordance with the principles set out in this Article.

5. The provisions of this Article shall not apply to the issuance of compulsory licenses granted in relation to intellectual property rights, or to the revocation, limitation or creation of intellectual property rights, to the extent that such issuance, revocation, limitation or creation is consistent with the WTO Agreement.

(f) payments arising under Section C.

2. Each Party shall permit transfers relating to a covered investment to be made in the convertible currency in which the capital was originally invested, or in any other convertible currency agreed by the investor and the Party concerned. Unless otherwise agreed by the investor, transfers shall be made at the rate of exchange applicable on the date of transfer.
3. Notwithstanding paragraphs 1 and 2, a Party may prevent a transfer through the equitable, non-discriminatory and good faith application of its laws relating to:

   (a) bankruptcy, insolvency or the protection of the rights of creditors;
   (b) issuing, trading or dealing in securities;
   (c) criminal or penal offences;
   (d) reports of transfers of currency or other monetary instruments; or

4. Neither Party may require its investors to transfer, or penalize its investors that fail to transfer, the income, earnings, profits or other amounts derived from, or attributable to investments in the territory of the other Party.

5. Paragraph 4 shall not be construed to prevent a Party from imposing any measure through the equitable, non-discriminatory and good faith application of its laws relating to the matters set out in subparagraphs (a) through (e) of paragraph 3.

6. Notwithstanding the provisions of paragraphs 1, 2 and 4, and without limiting the applicability of paragraph 5, a Party may prevent or limit transfers by a financial institution to, or for the benefit of, an affiliate of or person related to such institution, through the equitable, non-discriminatory and good faith application of measures relating to maintenance of the safety, soundness, integrity or financial responsibility of financial institutions.

7. Notwithstanding paragraph 1, a Party may restrict transfers in kind in circumstances where it could otherwise restrict transfers under the WTO Agreement and as set out in paragraph 3.

ARTICLE 15

Subrogation

1. If a Party or any agency thereof makes a payment to any of its investors under a guarantee or a contract of insurance it has entered into in respect of an investment, the other Party shall recognize the validity of the subrogation in favour of such Party or agency thereof to any right or title held by the investor.

2. A Party or any agency thereof which is subrogated to the rights of an investor in accordance with paragraph 1 of this Article, shall be entitled in all circumstances to the same rights as those of the investor in respect of the investment. Such rights may be exercised by the Party or any agency thereof, or by the investor if the Party or any agency thereof so authorizes.
ARTICLE 16
Taxation Measures

1. Except where express reference is made thereto, nothing in this Agreement shall apply to taxation measures. For greater certainty, nothing in this Agreement shall affect the rights and obligations of the Parties under any tax convention. In the event of any inconsistency between the provisions of this Agreement and any such convention, the provisions of that convention shall apply to the extent of the inconsistency.

2. Nothing in this Agreement shall be construed to require a Party to furnish or allow access to information the disclosure of which would be contrary to the Party’s law protecting information concerning the taxation affairs of a taxpayer.

3. The provisions of Article 13 shall apply to taxation measures unless the taxation authorities of the Parties, no later than six months after being notified by an investor that the investor disputes a taxation measure, jointly determine that the measure in question is not an expropriation. The investor shall refer the issue of whether a taxation measure is an expropriation for a determination to the taxation authorities of the Parties at the same time that it gives notice under Article 24 (Notice of Intent to Submit a Claim to Arbitration).

4. If, in connection with a claim by an investor of a Party or a dispute between the Parties, an issue arises as to whether a measure of a Party is a taxation measure, a Party may refer the issue to the taxation authorities of the Parties. The taxation authorities shall decide the issue, and their decision shall bind any Tribunal formed pursuant to Section C or arbitral panel formed pursuant to Section D, as the case may be, with jurisdiction over the claim or the dispute. A Tribunal or arbitral panel seized of a claim or a dispute in which the issue arises may not proceed pending receipt of the decision of the taxation authorities. If the taxation authorities have not decided the issue within six months of the referral, the Tribunal or arbitral panel shall decide the issue in place of the taxation authorities.

ARTICLE 17
Prudential Measures

1. Where an investor submits a claim to arbitration under Section C, and the disputing Party invokes Articles 10(2) or 14(6), the Tribunal established pursuant to Article 22 (Claim by an Investor of a Party on its Own Behalf) or 23 (Claim by an Investor of a Party on Behalf of an Enterprise) shall, at the request of that Party, seek a report in writing from the Parties on the issue of whether and to what extent the said paragraphs are a valid defence to the claim of the investor. The Tribunal may not proceed pending receipt of a report under this Article.

2. Pursuant to a request received in accordance with paragraph (1), the Parties shall proceed in accordance with Section D to prepare a written report, either on the basis of agreement following consultations, or by means of an arbitral panel. The consultations shall be between the financial services authorities of the Parties. The report shall be transmitted to the Tribunal, and shall be binding on the Tribunal.

3. Where, within 70 days of the referral by the Tribunal, no request for the establishment of a panel pursuant to paragraph (2) has been made, and no report has been received by the Tribunal, the Tribunal may proceed to decide the matter.
ARTICLE 18

Denial of Benefits

1. A Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of such Party and to investments of such investor if investors of a non-Party own or control the enterprise and the denying Party adopts or maintains measures with respect to the non-Party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Agreement were accorded to the enterprises or to its investments.

2. Subject to Article 19(3), a Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of such Party and to investments of such investors if investors of a non-Party own or control the enterprise and the enterprise has no substantial business activities in the territory of the Party under whose law it is constituted or organized.

ARTICLE 19

Transparency

1. Each Party shall, to the extent possible, ensure that its laws, regulations, procedures, and administrative rulings of general application respecting any matter covered by this Agreement are promptly published or otherwise made available in such a manner as to enable interested persons and the other Party to become acquainted with them.

2. To the extent possible, each Party shall:

(a) publish in advance any such measure that it proposes to adopt; and

(b) provide interested persons and the other Party a reasonable opportunity to comment on such proposed measures.

3. Upon request by a Party, information shall be exchanged on the measures of the other Party that may have an impact on covered investments.
ANNEX B.4

Most-Favoured-Nation Treatment

For greater clarity, treatment “with respect to the establishment, acquisition, expansion, management, conduct, operation and sale or other disposition of investments” referred to in paragraphs 1 and 2 of Article 4 does not encompass dispute resolution mechanisms, such as those in Section C, that are provided for in international treaties or trade agreements.
ANNEX B.13(1)

Expropriation

The Parties confirm their shared understanding that:

(a) Indirect expropriation results from a measure or series of measures of a Party that has an effect equivalent to direct expropriation without formal transfer of title or outright seizure;

(b) The determination of whether a measure or series of measures of a Party constitutes an indirect expropriation requires a case-by-case, fact-based inquiry that considers, among other factors:

   (i) the economic impact of the measure or series of measures, although the sole fact that a measure or series of measures of a Party has an adverse effect on the economic value of an investment does not establish that an indirect expropriation has occurred;

   (ii) the extent to which the measure or series of measures interferes with distinct, reasonable investment-backed expectations; and

   (iii) the character of the measure or series of measures;

(c) Except in rare circumstances, such as when a measure or series of measures is so severe in the light of its purpose that it cannot be reasonably viewed as having been adopted and applied in good faith, non-discriminatory measures of a Party that are designed and applied to protect legitimate public welfare objectives, such as health, safety and the environment, do not constitute indirect expropriation.
SECTION C - SETTLEMENT OF DISPUTES
BETWEEN AN INVESTOR AND THE HOST PARTY

Limitation of Claims with Respect to Financial Institutions

With respect to:

(a) financial institutions of a Party; and

3. A claim by an investor that a tax measure of a Party is in breach of a legal stability agreement between the national government authorities of a Party and the investor concerning an investment may be submitted to arbitration under this Section unless:

(a) the legal stability agreement between the national government authorities of a Party and the investor preceded the entry into force of this Agreement; or
(b) the taxation authorities of the Parties, no later than six months after being notified by the investor of its intention to submit the claim to arbitration, jointly determine that the measure does not contravene such legal stability agreement. The investor shall refer the issue of whether a taxation measure does not contravene a legal stability agreement for a determination to the taxation authorities of the Parties at the same time that it gives notice under Article 24 (Notice of Intent to Submit a Claim to Arbitration).

   (a) the legal stability agreement between the national government authorities of a Party and the enterprise preceded the entry into force of this Agreement; or

   (b) the taxation authorities of the Parties, no later than six months after being notified by the investor of its intention to submit the claim to arbitration, jointly determine that the measure does not contravene such legal stability agreement. 4. Where an investor makes a claim under this Article and the investor or a non-controlling investor in the enterprise makes a claim under Article 22 (Claim by an Investor of a Party on Its Own Behalf) arising out of the same events that gave rise to the claim under this Article, and two or more of the claims are submitted to arbitration under Article 27 (Submission of a Claim to Arbitration), the claims should be heard together by a Tribunal established under Article 32 (Consolidation), unless the Tribunal finds that the interests of a disputing party would be prejudiced thereby.

5. An investment may not make a claim under this Section.

   (c) the UNCITRAL Arbitration Rules; or

   (d) any other body of rules approved by the Commission as available for arbitrations under this Section.

   (a) where the disputing parties are in agreement, the arbitrators shall, in addition to the criteria set out in paragraph 2, have expertise or experience in financial services law or practice, which may include the regulation of financial institutions; or
(b) where the disputing parties are not in agreement,

(i) each disputing party may select arbitrators who meet the qualifications set out in subparagraph (a), and

ARTICLE 30
Constitution of a Tribunal When a Party Fails to Appoint an Arbitrator or the Disputing parties Are Unable to Agree on a Presiding Arbitrator

1. The Secretary-General shall serve as appointing authority for an arbitration under this Section.

2. If a Tribunal, other than a Tribunal established under Article 32 (Consolidation), has not been constituted within 90 days from the date that a claim is submitted to arbitration, the Secretary-General, on the request of either disputing party, shall appoint, in his or her discretion, the arbitrator or arbitrators not yet appointed, except that the presiding arbitrator shall not be a national of either Party.

(b) a disputing investor referred to in Article 22(1) (Claim by an Investor of a Party on Its Own Behalf) may submit a claim to arbitration, or continue a claim, under the ICSID Convention or the ICSID Additional Facility Rules, only on condition that the disputing investor agrees in writing to the appointment of each individual member of the Tribunal; and

ARTICLE 32
Consolidation

1. A Tribunal established under this Article shall be established under the UNCITRAL Arbitration Rules and shall conduct its proceedings in accordance with those Rules, except as modified by this Section.

2. Where a Tribunal established under this Article is satisfied that claims submitted to arbitration under Article 27 (Submission of a Claim to Arbitration) have a question of law or fact in common, the Tribunal may, in the interests of fair and efficient resolution of the claims, and after hearing the disputing parties, by order:

   (a) assume jurisdiction over, and hear and determine together, all or part of the claims; or

   (b) assume jurisdiction over, and hear and determine one or more of the claims, the determination of which it believes would assist in the resolution of the others.

   (a) the name of the disputing Party or disputing investors against which the order is sought;

4. The disputing party shall deliver to the disputing Party or disputing investors against which the order is sought a copy of the request.

5. Within 60 days of receipt of the request, the Secretary-General shall establish a Tribunal comprising three arbitrators. The Secretary-General shall appoint the presiding arbitrator, from the ICSID Panel of Arbitrators, a presiding arbitrator who is not a national of any of the Parties. The Secretary-General shall appoint the two other members from the ICSID Panel of Arbitrators. To the extent arbitrators are not available from that Panel, appointments shall be at the discretion of the Secretary-General. One member shall be a national of the disputing Party and one member shall be a national of the Party of the disputing investors.
6. Where a Tribunal has been established under this Article, a disputing investor that has submitted a claim to arbitration under Article 27 (Submission of a Claim to Arbitration) and that has not been named in a request made under paragraph 3 may make a written request to the Tribunal that it be included in an order made under paragraph 2, and shall specify in the request:

(a) the name and address of the disputing investor;
(b) the nature of the order sought; and
(c) the grounds on which the order is sought.

7. A disputing investor referred to in paragraph 6 shall deliver a copy of its request to the disputing parties named in a request made under paragraph 3.

8. A Tribunal established under Article 27 (Submission of a Claim to Arbitration) shall not have jurisdiction to decide a claim, or a part of a claim, over which a Tribunal established under this Article has assumed jurisdiction.

9. On application of a disputing party, a Tribunal established under this Article, pending its decision under paragraph 2, may order that the proceedings of a Tribunal established under Article 27 (Submission of a Claim to Arbitration) be stayed, unless the latter Tribunal has already adjourned its proceedings.

ARTICLE 33

Notice to the Non-Disputing Party

A disputing Party shall deliver to the other Party a copy of the Notice of Intent to Submit a Claim to Arbitration and other documents, such as a Notice of Arbitration and Statement of Claim, no later than 30 days after the date that such documents have been delivered to the disputing Party.

(b) copies of all pleadings filed in the arbitration; and
(c) the written argument of the disputing parties.

2. The Party receiving information pursuant to paragraph 1 shall treat the information as if it were a disputing Party.
ARTICLE 35

Participation by the Non-Disputing Party

1. On written notice to the disputing parties, the non-disputing Party may make submissions to a Tribunal on a question of interpretation of this Agreement.

2. The non-disputing Party shall have the right to attend any hearings held under this Section, whether or not it makes submissions to the Tribunal.

ARTICLE 36

Place of Arbitration

Unless the disputing parties agree otherwise, a Tribunal shall hold an arbitration in the territory of a Party that is a party to the New York Convention, selected in accordance with:

(a) the ICSID Additional Facility Rules, if the arbitration is under those Rules or the ICSID Convention; or

(b) the UNCITRAL Arbitration Rules, if the arbitration is under those Rules.

ARTICLE 37

Preliminary Objections to Jurisdiction or Admissibility

Where issues relating to jurisdiction or admissibility are raised as preliminary objections, a Tribunal shall, wherever possible, decide the matter before proceeding to the merits.

ARTICLE 38

Public Access to Hearings and Documents

1. Hearings held under this Section shall be open to the public. To the extent necessary to ensure the protection of confidential information, including business confidential information, the Tribunal may hold portions of hearings in camera.

2. The Tribunal shall establish procedures for the protection of confidential information and appropriate logistical arrangements for open hearings, in consultation with the disputing parties.

3. All documents submitted to, or issued by, the Tribunal shall be publicly available, unless the disputing parties otherwise agree, subject to the deletion of confidential information.

4. Notwithstanding paragraph 3, any Tribunal award under this Section shall be publicly available, subject to the deletion of confidential information.
5. A disputing party may disclose to other persons in connection with the arbitral proceedings such unredacted documents as it considers necessary for the preparation of its case, but it shall ensure that those persons protect the confidential information in such documents.

6. The Parties may share with officials of their respective national and sub-national governments all relevant unredacted documents in the course of dispute settlement under this Agreement, but they shall ensure that those persons protect any confidential information in such documents.

7. As provided under Article 10(4) and (5), the Tribunal shall not require a Party to furnish or allow access to information the disclosure of which would impede law enforcement or would be contrary to the Party’s law protecting Cabinet confidences, personal privacy or the financial affairs and accounts of individual customers of financial institutions, or which it determines to be contrary to its essential security.

8. To the extent that a Tribunal’s confidentiality order designates information as confidential and a Party’s law on access to information requires public access to that information, the Party’s law on access to information shall prevail. However, a Party should endeavour to apply its law on access to information so as to protect information designated confidential by the Tribunal.

ARTICLE 39

Submissions by a Non-Disputing party

3. The Tribunal shall set an appropriate date for the disputing parties to comment on the application for leave to file a non-disputing party submission.

4. In determining whether to grant leave to file a non-disputing party submission, the Tribunal shall consider, among other things, the extent to which:

   (a) the non-disputing party submission would assist the Tribunal in the determination of a factual or legal issue related to the arbitration by bringing a perspective, particular knowledge or insight that is different from that of the disputing parties;

   (b) the non-disputing party submission would address a matter within the scope of the dispute;

   (c) the non-disputing party has a significant interest in the arbitration; and

   (d) there is a public interest in the subject-matter of the arbitration.
5. The Tribunal shall ensure that:

(a) any non-disputing party submission does not disrupt the proceedings; and

(b) neither disputing party is unduly burdened or unfairly prejudiced by such submissions.

6. The Tribunal shall decide whether to grant leave to file a non-disputing party submission. If leave to file a non-disputing party submission is granted, the Tribunal shall set an appropriate date for the disputing parties to respond in writing to the non-disputing party submission. By that date, the non-disputing Party may, pursuant to Article 35 (Participation by the Non-Disputing Party), address any issues of interpretation of this Agreement presented in the non-disputing party submission.

7. The Tribunal that grants leave to file a non-disputing party submission is not required to address the submission at any point in the arbitration, nor is the non-disputing party that files the submission entitled to make further submissions in the arbitration.

8. Access to hearings and documents by non-disputing parties that file applications under these procedures shall be governed by the provisions pertaining to public access to hearings and documents under Article 38 (Public Access to Hearings and Documents).

ARTICLE 40

Governing Law

1. A Tribunal established under this Section shall decide the issues in dispute in accordance with this Agreement and applicable rules of international law.

ARTICLE 41
Interpretation of Annexes

1. Where a disputing Party asserts as a defence that the measure alleged to be a breach is within the scope of a reservation or exception set out in Annex I, Annex II or Annex III, on request of the disputing Party, the Tribunal shall request the interpretation of the Commission on the issue. The Commission, within 60 days of delivery of the request, shall submit in writing its interpretation to the Tribunal.

2. Further to Article 40(3) (Governing Law), a Commission interpretation submitted under paragraph 1 shall be binding on the Tribunal. If the Commission fails to submit an interpretation within 60 days, the Tribunal shall decide the issue.

ARTICLE 42
Expert Reports

Without prejudice to the appointment of other kinds of experts where authorized by the applicable arbitration rules, a Tribunal, at the request of a disputing party or, unless the disputing parties disapprove, on its own initiative, may appoint one or more experts to report to it in writing on any factual issue concerning environmental, health, safety or other scientific matters raised by a disputing party in a proceeding, subject to such terms and conditions as the disputing parties may agree.

ARTICLE 43
Interim Measures of Protection

A Tribunal may order an interim measure of protection to preserve the rights of a disputing party, or to ensure that the Tribunal’s jurisdiction is made fully effective, including an order to preserve evidence in the possession or control of a disputing party or to protect the Tribunal’s jurisdiction. A Tribunal may not order attachment or enjoin the application of the measure alleged to constitute a breach referred to in Article 22 (Claim by an Investor of a Party on Its Own Behalf) or 23 (Claim by an Investor of a Party on Behalf of an Enterprise). For purposes of this paragraph, an order includes a recommendation.

ARTICLE 44
Final Award

1. Where a Tribunal makes a final award against the disputing Party, the Tribunal may award, separately or in combination, only:

   (a) monetary damages and any applicable interest;

   (b) restitution of property, in which case the award shall provide that the disputing Party may pay monetary damages and any applicable interest in lieu of restitution.
The Tribunal may also award costs in accordance with the applicable arbitration rules.

2. Subject to paragraph 1, where a claim is made under Article 23(1) (Claim by an Investor of a Party on Behalf of an Enterprise):

   (a) an award of monetary damages and any applicable interest shall provide that the sum be paid to the enterprise;

   (b) an award of restitution of property shall provide that restitution be made to the enterprise; and

   (c) the award shall provide that it is made without prejudice to any right that any person may have in the relief under applicable domestic law.

3. A Tribunal may not order a disputing Party to pay punitive damages.

ARTICLE 45

1. An award made by a Tribunal shall have no binding force except between the disputing parties and in respect of that particular case.

2. Subject to paragraph 3 and the applicable review procedure for an interim award, a disputing party shall abide by and comply with an award without delay.

3. A disputing party may not seek enforcement of a final award until:

   (a) in the case of a final award made under the ICSID Convention:

      (i) 120 days have elapsed from the date the award was rendered and no disputing party has requested revision or annulment of the award, or

      (ii) revision or annulment proceedings have been completed; and

   (b) in the case of a final award under the ICSID Additional Facility Rules or the UNCITRAL Arbitration Rules:

      (i) 90 days have elapsed from the date the award was rendered and no disputing party has commenced a proceeding to revise, set aside or annul the award, or

      (ii) a court has dismissed or allowed an application to revise, set aside or annul the award and there is no further appeal.

4. Each Party shall provide for the enforcement of an award in its territory.
5. If the disputing Party fails to abide by or comply with a final award, the Commission, on delivery of a request by the Party of the disputing investor, shall establish an arbitral panel under Section D (State-to-State Dispute Settlement Procedures). The requesting Party may seek in such proceedings:

(a) a determination that the failure to abide by or comply with the final award is inconsistent with the obligations of this Agreement; and

(b) a recommendation that the disputing Party abide by or comply with the final award.

6. A disputing investor may seek enforcement of an arbitration award under the ICSID Convention, the New York Convention or the Inter-American Convention regardless of whether proceedings have been taken under paragraph 5.

7. A claim that is submitted to arbitration under this Section shall be considered to arise out of a commercial relationship or transaction for purposes of Article I of the New York Convention and Article I of the Inter-American Convention.

Any dispute between the Parties concerning the interpretation or application of this Agreement shall, whenever possible, be settled amicably through consultations.

2. If a dispute cannot be settled through consultations, it shall, at the request of either Party, be submitted to an arbitral panel for decision.

3. An arbitral panel shall be constituted for each dispute. 8. Each Party shall bear the costs of its own member of the panel and of its representation in the arbitral proceedings; the costs related to the Chairman and any remaining costs shall be borne equally by the Parties. Investment Canada Regulations, SOR/85-611
As qualified by paragraphs 8 through 12 of the Description element

Description:

1. Under the Investment Canada Act, the following acquisitions of Canadian businesses by "non-Canadians" are subject to review by the Director of Investments:

   (a) all direct acquisitions of Canadian businesses with assets of C$5 million or more;

   (b) all indirect acquisitions of Canadian businesses with assets of C$50 million or more; and

   (c) indirect acquisitions of Canadian businesses with assets between C$5 million and C$50 million that represent more than 50 percent of the value of the assets of all the entities the control of which is being acquired, directly or indirectly, in the transaction in question.

2. A "non-Canadian" is an individual, government or agency thereof or an entity that is not "Canadian". "Canadian" means a Canadian citizen or permanent resident, government in Canada or agency thereof or Canadian-controlled entity as provided for in the Investment Canada Act.

3. In addition, specific acquisitions or establishment of new businesses in designated types of business activities relating to Canada's cultural heritage or national identity, which are normally notifiable, may be reviewed if the Governor in Council authorizes a review in the public interest.
4. An investment subject to review under the Investment Canada Act may not be implemented unless the Minister responsible for the Investment Canada Act advises the applicant that the investment is likely to be of net benefit to Canada. Such a determination is made in accordance with six factors described in the Act, summarized as follows:

(a) the effect of the investment on the level and nature of economic activity in Canada, including the effect on employment, on the utilization of parts, components and services produced in Canada, and on exports from Canada;

(b) the degree and significance of participation by Canadians in the investment;

(c) the effect of the investment on productivity, industrial efficiency, technological development and product innovation in Canada;

(d) the effect of the investment on competition within any industry or industries in Canada;

(e) the compatibility of the investment with national industrial, economic and cultural policies, taking into consideration industrial, economic and cultural policy objectives enunciated by the government or legislature of any province likely to be significantly affected by the investment; and

(f) the contribution of the investment to Canada's ability to compete in world markets.

5. In making a net benefit determination, the Minister, through the Director of Investments, may review plans under which the applicant demonstrates the net benefit to Canada of the proposed acquisition. An applicant may also submit undertakings to the Minister in connection with any proposed acquisition which is the subject of review. In the event of non-compliance with an undertaking by an applicant, the Minister may seek a court order directing compliance or any other remedy authorized under the Act.

6. Non-Canadians who establish or acquire Canadian businesses, other than those that are subject to review, as described above, must notify the Director of Investments.
7. The Director of Investments will review an "acquisition of control", as defined in the *Investment Canada Act*, of a Canadian business by an investor of the other Party if the value of the gross assets of the Canadian business is not less than the applicable threshold.

8. The higher review threshold, calculated as set out in paragraph 13, does not apply to acquisitions in the following sectors: uranium production and ownership of uranium producing properties; financial services; transportation services; and cultural businesses.

9. Notwithstanding the definition of "investor of a party" in Article 1, only investors who are nationals, or entities controlled by nationals as provided for in the *Investment Canada Act*, of the other Party may benefit from the higher review threshold.

10. An indirect "acquisition of control" of a Canadian business in any sector other than those sectors identified in paragraph 8 by an investor of the other Party is not reviewable.

11. Notwithstanding Article 7, Canada may impose requirements, or enforce any commitment or undertaking, in connection with the establishment, acquisition, expansion, conduct or operation of an investment of an investor of the other Party or of a non-Party for the transfer of technology, production process or other proprietary knowledge to a national or enterprise, affiliated to the transferor, in Canada, in connection with the review of an acquisition of an investment under the *Investment Canada Act*.

12. Except for requirements, commitments or undertakings relating to technology transfer as set out in paragraph 11, Article 7 shall apply to requirements, commitments or undertakings imposed or enforced under the *Investment Canada Act*. Article 7 shall not be construed to apply to any requirement, commitment or undertaking imposed or enforced in connection with a review under the *Investment Canada Act*, to locate production, carry out research and development, employ or train workers, or to construct or expand particular facilities, in Canada.
13. For direct acquisitions of control by investors of the other Party or for investors of a non-Party where the Canadian business is controlled by an investor of the other Party, the applicable threshold for review is C$265 million for the year 2006 and for each year thereafter the amount determined by the Minister in January of that year arrived at by using the following formula:

Annual Adjustment = 

\[
\frac{\text{Current Nominal GDP at Market Prices}}{\text{Previous Year Nominal GDP at Market Prices}} \times \text{amount determined for previous year}
\]

“Current Nominal GDP at Market Prices” means the average of the Nominal Gross Domestic Products at Market Prices for the most recent four consecutive quarters.

"Previous Year Nominal GDP at Market Prices” means the average of the Nominal Gross Domestic Product for the four consecutive quarters for the comparable period in the year preceding the year used in calculating the "Current Nominal GDP at Market Prices”.

The amounts determined in this manner will be rounded to the nearest million dollars.

As set out in the Description element

Description:

Canada or any province, when selling or disposing of its equity interests in, or the assets of, an existing state enterprise or an existing governmental entity, may prohibit or impose limitations on the ownership of such interests or assets, and on the ability of owners of such interests or assets to control any resulting enterprise, by investors of the other Party or of a non-Party or their investments. With respect to such a sale or other disposition, Canada or any province may adopt or maintain any measure relating to the nationality of senior management or members of the board of directors.

For purposes of this reservation:

(a) any measure maintained or adopted after the date of entry into force of this Agreement that, at the time of sale or other disposition, prohibits or imposes limitations on the ownership of equity interests or assets or imposes nationality requirements described in this reservation shall be deemed to be an existing measure; and

(b) “state enterprise” means an enterprise owned or controlled through ownership interests by Canada or any province and includes an enterprise established after the date of entry into force of this Agreement solely for the purposes of selling or disposing of equity interests in, or the assets of, an existing state enterprise or governmental entity.
Description: “Constraints” may be placed on the issue, transfer and ownership of shares in federally incorporated corporations. The object is to permit corporations to meet Canadian ownership requirements, under certain laws set out in the Canada Business Corporations Act Regulations, in sectors where ownership is required as a condition to operate or to receive licenses, permits, grants, payments or other benefits. In order to maintain certain “Canadian” ownership levels, a corporation is permitted to sell shareholders’ shares without the consent of those shareholders, and to purchase its own shares on the open market. “Canadian” is defined in the Canada Business Corporations Act Regulations.

Special Acts of Parliament incorporating specific companies

Description: The Canada Business Corporations Act requires, for most federally-incorporated corporations, that 25 per cent of directors be resident Canadians. A simple majority of resident Canadian directors is required for corporations in prescribed sectors. These sectors include: uranium mining; book publishing or distribution; book sales, where the sale of books is the primary part of the corporation’s business; and film or video distribution. Similarly, corporations that, by an Act of Parliament or Regulation, are individually subject to minimum Canadian ownership requirements are required to have a majority of resident Canadian directors.

For purposes of the Act, “resident Canadian” means an individual who is a Canadian citizen ordinarily resident in Canada, a citizen who is a member of a class set out in the Canada Business Corporations Act Regulations, or a permanent resident as defined in the Immigration and Refugee Protection Act other than one who has been ordinarily resident in Canada for more than one year after he or she became eligible to apply for Canadian citizenship.

In the case of a holding corporation, not more than one-third of the directors need be resident Canadians if the earnings in Canada of the holding corporation and its subsidiaries are less than five percent of the gross earnings of the holding corporation and its subsidiaries.

Under Part IV of the Canada Corporations Act, a simple majority of the elected directors of a Special Act corporation must be resident in Canada and citizens of a Commonwealth country. This requirement applies to every joint stock company incorporated subsequent to June 22, 1869 by any Special Act of Parliament.

Description:
1. Under the Canada Oil and Gas Operations Act, the approval of the Minister of Energy, Mines and Resources of a “benefits plan” is required to receive authorization to proceed with any oil and gas development project.

2. A “benefits plan” is a plan for the employment of Canadians and for providing Canadian manufacturers, consultants, contractors and service companies with a full and fair opportunity to participate on a competitive basis in the supply of goods and services used in any proposed work or activity referred to in the benefits plan.

The Act permits the Minister to impose an additional requirement on the applicant, as part of the benefits plan, to ensure that disadvantaged individuals or groups have access to training and employment opportunities or can participate in the supply of goods and services used in any proposed work referred to in the benefits plan.

3. The Canada - Nova Scotia Offshore Petroleum Resources Accord Implementation Act and the Canada - Newfoundland Atlantic Accord Implementation Act have the same requirement for a benefits plan but also require that the benefits plan ensure that:

(a) prior to carrying out any work or activity in the offshore area, the
corporation or other body submitting the plan establish in the applicable province an office where appropriate levels of decision-making are to take place;

(b) expenditures be made for research and development to be carried out in the province, and for education and training to be provided in the province; and

(c) first consideration be given to goods produced or services provided from within the province, where those goods or services are competitive in terms of fair market price, quality and delivery.

4. The Boards administering the benefits plan under these Acts may also require that the plan include provisions to ensure that disadvantaged individuals or groups, or corporations owned or cooperatives operated by them, participate in the supply of goods and services used in any proposed work or activity referred to in the plan.

5. In addition, Canada may impose any requirement or enforce any commitment or undertaking for the transfer of technology, a production process or other proprietary knowledge to a person of Canada in connection with the approval of development projects under the applicable Acts.

6. Provisions similar to those set out above will be included in laws or regulations to implement the Yukon Oil and Gas Accord and Northwest Territories Oil and Gas Accord which for purposes of this reservation shall be deemed, once concluded, to be existing measures.

- Canada Transportation Act, S.C. 1996, c.10
- Canadian Aviation Regulations
  - Part II “Aircraft Markings & Registration”
  - Part IV “Personnel Licensing & Training”
  - Part VII “Commercial Air Services”
Description: The Canada Transportation Act, in Section 55, defines "Canadian" in the following manner:

“... 'Canadian' means a Canadian citizen or a permanent resident within the meaning of the Immigration and Refugee Protection Act, a government in Canada or an agent of such a government or a corporation or other entity that is incorporated or formed under the laws of Canada or a province, that is controlled in fact by Canadians and of which at least seventy-five per cent, or such lesser percentage as the Governor in Council may by regulation specify, of the voting interests are owned and controlled by Canadians...”

Regulations made under the Aeronautics Act incorporate by reference the definition of “Canadian” found in the Canada Transportation Act. These Regulations require that a Canadian operator of commercial air services operate Canadian-registered aircraft. These regulations require an operator to be Canadian in order to obtain a Canadian Air Operator Certificate and to qualify to register aircraft as “Canadian”.

Only “Canadians” may provide the following commercial air transportation services:

(a) “domestic services” (air services between points, or from and to the same point, in the territory of Canada, or between a point in the territory of Canada and a point not in the territory of another country);

(b) “scheduled international services” (scheduled air services between a point in the territory of Canada and a point in the territory of another country) where those services have been reserved to Canadian carriers under existing or future air services agreements;

(c) “non-scheduled international services” (non-scheduled air
services between a point in the territory of Canada and a point in
the territory of another country) where those services have been
reserved to Canadian carriers under the Canada Transportation
Act.

(d) “specialty air services” (include, but are not limited to: aerial
mapping, aerial surveying, aerial photography, forest fire
management, fire-fighting, aerial advertising, glider towing,
parachute jumping, aerial construction, heli-logging, aerial
inspection, aerial surveillance, flight training, aerial sightseeing
and aerial crop spraying).

No foreign individual may own a Canadian-registered aircraft for private
use.

A corporation incorporated in Canada but that does not meet the
Canadian ownership and control requirements may only register an
aircraft for private use when the corporation is the sole owner of the
aircraft. The Canadian Aviation Regulations also have the effect of
limiting “non-Canadian” corporations operating foreign-registered
private aircraft within Canada to the carriage of their own employees.
