Law on Investments

Official Gazette of RS, No. 89/2015 and 95/2018

I. INTRODUCTORY PROVISIONS

Subject-matter

Article 1

This Law regulates the general legal framework for investments in the Republic of Serbia, entities supporting investments for efficient provision of services to investors, education and work of the Economic Development Council and the establishment and operation of the Serbian Development Agency.

Objectives of the law

Article 2

The objectives of this law are to improve the investment environment in the Republic of Serbia and to encourage direct investment to strengthen economic and economic development and employment growth.

Definitions

Article 3

Some terms used in this law have the following meaning:

1) The investment in the sense of this Law is:

- a) direct investment, ie investment in tangible and intangible assets of a company;
- b) Indirect investment, or acquisition of shares or shares in a company;

2) the investor is a domestic or foreign legal or natural person who has made the investment referred to in item 1 of this Article in the territory of the Republic of Serbia in accordance with the law;

3) the beneficiary of the incentive means is a company with a seat in the Republic of Serbia;

4) Incentives are the money that is allocated to the beneficiary of funds in support of investments for the financing of investment projects in the Republic of Serbia;

5) investment project is a project whose realization realizes direct investment, in accordance with this law;

6) the authority of the authorities, within the meaning of this Law, is:

(a) the body of the state administration, in the sense of a law regulating the state administration, the autonomous province body, the local self-government body, and the organization trusted to exercise public authority;

(b) a legal person who establishes or finances in whole or in the major part the state administration body or any of the bodies referred to in sub-paragraph (a) of this paragraph;

7) The Economic Development Council is defined in Article 25 of this Law;

8) The Serbian Development Agency is defined in Article 27 of this Law;

9) the unit for local economic development and investment support is an organizational unit of the local self-government unit or a legal person providing professional assistance and investment support to the investor;

10) The ministry in the sense of this Law is the Ministry responsible for business affairs;

11) the period of guaranteed investment and employment is a period of three or five years after the realization of the investment project, whereby the beneficiary of the incentive funds is obliged not to

reduce the value of the basic funds achieved by the realization of the investment project as well as the number of employees reached and during which it is obliged, in accordance with the grant agreement, to pay each employee an agreed earnings;

12) The scheme of state aid is a set of all regulations that constitute the basis for granting state aid, in the sense of a law governing the control and award of state aid.

By investing, within the meaning of this Law, the following shall not be considered:

- a) cash or other receivables directly attributable to a commercial contract;
- b) cash receipts arising from a loan in connection with a commercial contract.

II. THE RIGHTS OF THE PARTICIPANTS

Freedom of investment

Article 4

Investors enjoy freedom of investment, in accordance with the Constitution and the law.

The protection of investments made in accordance with law is avoided.

The information provided by the investor in the process of granting the incentives represents a business secret not later than the decision to grant the granting of incentives.

Protection of acquired rights

Article 5

The investor enjoys full legal certainty and legal protection in terms of acquired investment rights.

Expropriation

Article 6

Investments will not be the subject of expropriation either directly or indirectly with measures aiming at the effect that is equal to expropriation.

Exceptionally from paragraph 1 of this Article, property and other real rights of investors on immovable property may be confiscated or restricted only in the public interest, if such possibility is provided for by the law governing expropriation, in a non-discriminatory manner, in accordance with the procedure prescribed by that law, without delay.

In the case referred to in paragraph 2 of this Article, the appropriate remuneration to the investor shall include compensation for the expropriated immovable property and a reimbursement for the impairment of the business value attributable to such confiscation in accordance with the law. When determining the value of a consideration, the value of the expropriated property will be taken into account before the expropriation intention is announced.

The fees referred to in paragraph 3 of this Article shall be paid to the Investor without delay and shall include a statutory penalty interest on the deposit, calculated from the date on which the confiscation was effected by the date of payment in accordance with this Law.

In the case referred to in paragraph 2 of this Article, the investor shall have the right to legal remedies, the urgent resolution of the confiscation procedure and the valuation of the object of seizure by a judicial or other competent authority, in accordance with the law.

National treatment of foreign investment

Article 7

Investors who are foreign legal or natural persons, in terms of their investment in all, enjoy equal status and have the same rights and obligations as domestic investors, unless otherwise provided for by this or other law.

An investor who is a foreign legal or natural person may acquire the right of ownership and other real rights on movable property and immovable property located in the territory of the Republic of Serbia, in accordance with the Constitution and the law.

Freedom of Payment Abroad

Article 8

The investor, for the purposes of foreign payments permitted by the law regulating foreign exchange operations, may purchase foreign exchange on the foreign exchange market in the Republic of Serbia.

The right to a transfer of profits and property of an investor who is a foreign legal or natural person

Article 9

An investor who is a foreign legal or natural person has the right, in accordance with the law, to pay financial and other funds in connection with the investment, following the payment of all tax and other public revenue obligations, such as:

- 1) revenues (dividends, fees for the use of intellectual property rights and other related rights, interest, etc.);
- 2) assets belonging to it after the expiration of a company, ie on termination of the investment contract;
- 3) amounts received from the sale of shares or shares in the capital of the company;
- 4) amounts received on the basis of the reduction of the basic capital of the company;
- 5) sums received from supplemental payments;
- 6) Expenses from Expropriation, or other measures of similar nature.

/) (brushed)

The cash funds referred to in paragraph 1 of this Article may be transferred abroad in the currency in which they can be traded on the domestic foreign exchange market, in accordance with the regulation regulating the types of foreign currency and effective foreign currency that are purchased and sold on the foreign exchange market.

Article 10

(Brisano)

III. INVESTMENTS FROM SPECIAL SIGNIFICANCE AND FORMS OF STATE AID

The investment of particular importance

Article 11

Investments of particular importance to the Republic of Serbia (hereinafter: investment of particular importance) are investments whose implementation would have had an important impact on improving the competitiveness of the business sector or sector in the Republic of Serbia or its smooth regional development or by investing at least five million euros or opens more than 500 new jobs related to an investment project if the investment is realized in a local government unit that is classified into the first or second group according to the level of development or which invests more than two million euros in the fund assets of the user opens up more than 100 new workplaces associated with an investment project if the investment is realized in a unit of local self-government that is classified into the third or fourth group according to the level of development, or in a devastated area.

Investments of particular importance are investments made on the territory of one or more units of local self-government and encourage the realization of joint development priorities of one or more local self-government units in function of increasing their level of competitiveness as well as investments based on adopted bilateral agreements.

The Government, the autonomous province or the local self-government authorities adopt various schemes of state aid that define the criteria for granting the aid more closely.

Article 12

(Brisano)

Forms of state aid

Article 13

Investors may exercise the right to the following forms of state aid for investment, in accordance with the regulations governing them:

- 1) Assimilation;
- 2) tax incentives and relief and exemption from tax payment;
- 3) customs privileges;
- 4) compulsory social security system;
- 5) leasing and alienation of immovable property and land in public property;
- 6) other forms of state aid, in the sense of a law governing the control and award of state aid.

When granting state aid, special consideration will be given to the rule of cumulation of state aid in the sense of a law governing the control and award of state aid.

A public register is conducted on direct investments in the Republic of Serbia and on the state aid granted in connection with these investments.

The public register referred to in paragraph 3 of this Article shall be regulated by a special law.

Customs duty relief

Article 14

Imports of equipment representing the investor's stake that is a foreign or domestic legal or natural person within the meaning of this Law is free and exempt from the payment of customs duties and other import duties other than passenger motor vehicles and slot machines, provided that the equipment imported by the investor in accordance with the regulations governing the health and safety of citizens and the protection of the environment.

The Government shall regulate the procedure, the amount and the time limit for obtaining relief and exemption from customs and other duties on the import of equipment of a foreign investor referred to in paragraph 1 of this Article, as well as the restrictions on the right of disposal and the ban on the use of such imported equipment for other purposes.

IV. SUPPROTING ENTITIES

Determining Entities Supporting Investments

Article 15

Investment support entities are:

- 1) Economic Development Council;
- 2) Ministry responsible for business affairs;
- 3) Development Agency of Serbia;

- 4) an autonomous province body or organization authorized by the autonomous province of public authority to invest in accordance with Article 11, paragraph 2 of this Law, by the autonomous province of the autonomous province;
- 5) local self-government unit through local economic development unit and investment support unit (hereinafter: unit for local economic development and investment support), in accordance with Article 20 of this Law.

The duty of the authorities and the urgency of the proceedings

Article 16

Authorities are obliged to provide undisturbed investment within their competencies as well as to monitor and control the exercise of investors' rights and fulfillment of investors' obligations as well as the commitments undertaken by the Republic of Serbia in connection with the investment.

The authorities, in addition to the Commission for the Protection of Competition, shall act in connection with the realization and maintenance of the investment and the realization of investors' rights and obligations by an urgent procedure.

The authority other than the Commission for the Protection of Competition in Administrative Matters in relation to the realization and maintenance of the investment and the realization of the investor's rights and obligations shall make the investor's claim solved with the right of priority and issue the public document as soon as possible if the investor promptly submit neat and complete documentation.

Measures to Stimulate Competitiveness of Local Self-Government

Article 17

The Local Authorities' Local Self-Governance Body, through local development policy instruments, encourages investment attractiveness, care for existing investments and their expansion, number and total investment value and investor quality, applies standards of a favorable business environment, and decides on measures to foster local self-government competitiveness in attracting investment.

The measures for the promotion of competitiveness referred to in paragraph 1 of this Article shall in particular include the following elements:

- 1) the allocation of organs, as investment support units under Article 15 of this Law;
- 2) strengthening the analytical basis for more precise and data-based development of development policies, instruments and measures in the field of local economic development;
- 3) establishment of transparent mechanisms of permanent communication and cooperation with the economy;
- 4) simplify local procedures for realizing investments;
- 5) balancing the local labor market;
- 6) development of communal and local economic infrastructure;
- 7) Use of information and communication technologies to achieve more efficient communication;
- 8) Prescribing local facilitations and incentives based on local strategic documents.

The standards of a favorable business environment are determined by the minister responsible for economic affairs (hereinafter: the Minister).

Article 18

(Brisano)

Handling units for local economic development and investment support

Article 19

The Local Economic Development Unit and investment support unit provides expert assistance and support to the investor in the realization of the investment if requested by the investor in accordance with Article 16 of this law.

Contracts for granting incentives provided by the autonomous province budget with the investor are concluded by the autonomous province body.

Article 20

The local economic development units and the investment support units are performed by the local economic development office, or the administrative body or the public authority, or a legal entity established by the local self-government unit, or a physical person from the employees or appointed persons or chambers, associations or associations, which with knowledge and experience can provide professional assistance to the investor, which is determined by the act of the local self-government unit to perform these tasks.

Two or more units of local self-government may jointly designate a body in accordance with paragraph 1 of this Article for the purpose of performing local economic development unit work and supporting investment in the territory of these local self-government units.

The investor may, in accordance with Article 16 of this Law, submit the applications and take the documents through the unit for local economic development.

Communication between investor and local economic development unit and investment support is trustworthy, unless information is mandatory in accordance with law.

(Brisano)

Information of public interest

Article 24

Access to information of public interest in the area of investment is realized in accordance with the law regulating free access to information of public interest.

V. ECONOMIC DEVELOPMENT COUNCIL

Article 25

The Council for Economic Development (hereinafter referred to as: the Council) is hereby formalized. The Chairman and members of the Council shall be appointed by the Government in accordance with this Law.

The councils are made up of a minister, a minister responsible for finance affairs, a minister responsible for labor affairs and employment, a representative of the Serbian Chamber of Commerce and director of the Serbian Agency for Development.

The Chairman of the Council is the Minister.

At the suggestion of the President of the Council, at the suggestion of the President of the Council, at the suggestion of the President of the Council, the Council may also invite other ministers to the sessions if, in the opinion of the Council, they are in need of a specific question and depending on the subject matter considered by the Council. These ministers are not entitled to vote in the Council.

Administrative and expert-technical tasks of the Council are carried out by the Development Agency of Serbia.

The Council's Responsibilities

Article 26

The Council has the following competencies:

- 1) monitor the situation in the area of investment and economic development, publicly promote the goals of the economic development of the Republic of Serbia and encourage their realization;
- 2) makes a decision on granting investment incentives, in accordance with this law and the law governing the control and award of state aid;
- 3) issues the Rules of Procedure on its work;
- 4) submit to the Government once a year a report on its work, which is published on the Government website;
- 5) perform other tasks in accordance with this Law.

Decisions of the Council

Article 26a

The Development Agency of Serbia (hereinafter referred to as: the Agency) submits to the Council an application for allocation of incentives, information on the possible level of incentives, together with an expert analysis of the investment project, the proposal of the incentive level and the draft grant agreement, and in the case of investments of special significance under Article 11. paragraph 2 of this Law, the Agency shall also submit the decision of the Assembly, ie the larger units of local self-government.

The Council shall decide on the allocation of incentives based on the documentation referred to in paragraph 1 of this Article.

The incentive award decision contains information on the investment project and its essential elements, the investor and user of the funds and the amount of incentives granted.

The Council's decision to give incentives is submitted to the Ministry by the Agency, together with a draft grant agreement.

The Ministry shall submit the decision of the Council and the text of the draft grant agreement to the Government for prior approval.

Contracts on the allocation of incentives provided by the budget of the Republic of Serbia with the investor are concluded by the Ministry with the prior consent of the Government.

The Council also decides on the proposals for measures that achieve the objectives of investment and economic development in the most effective way, requiring changes in the implementation of the investment project on the basis of concluded contracts of granting, modification of the deadlines, reduction of the amount of the allocated funds in proportion to the recognition of the partial fulfillment of the contractual obligations, users of the funds, including any suggestions relating to the amendment, amendment or termination of the grant agreement.

The draft measure referred to in paragraph 7 of this Article shall be prepared by the Ministry and submitted to the Council through the Agency.

The Ministry, upon the decision of the Council referred to in paragraph 7 of this Article, prepares the text of an annex to the agreement on granting or terminating the contract.

During the period of guaranteed investment and employment, or after the expiry of that period, if the beneficiary of the funds fulfilled a larger part of the obligations arising from the grant agreement and if it

is in the interest of the Republic of Serbia and achieving the objectives of investment and economic development, the Council may, upon the reasoned proposal The Ministry decides to conclude with the fund user a contract on mutual regulation of rights and obligations, or settlement.

The annexes to the agreement on allocation of incentives, contractual termination of contracts and agreements on mutual regulation of rights and obligations, or settlements from the paragraphs 9 and 10 of this Article, concludes the Ministry with the prior consent of the Government.
