If the fact of the business entity applying to the authority (organization) issuing the license with a petition for obtaining the license or making amendments to the register of licenses, or to the authority issuing the certificate of accreditation with a petition for obtaining or reissuing the certificate of accreditation, or to the authority issuing the compliance document with a petition for obtaining or reissuing the compliance document, being under the control of a foreign investor or a group of persons is not obvious, the applicant is entitled to send a request to the authorized body regarding the need to approve the establishment of control by a foreign investor or a group of persons over such a business entity, attaching the documents specified in paragraphs 2 and 3 part 31 of this Article. If during the execution of a transaction and (or) obtaining a decision resulting in the provision of the right to fish aquatic biological resources, the fact of a business entity of strategic importance under the control of a foreign investor or a group of persons, or a business entity of strategic importance under the control of a foreign investor or a group of persons, and persons within the same group of persons with this business entity, or a business entity under the control of a foreign investor or a group of persons not holding the right to fish aquatic biological resources and planning to apply for the provision of this right to the appropriate government authority, meeting the criteria provided by part 7 of Article 7 of this Federal Law is not obvious, the applicant is entitled to send a request to the authorized body regarding the need to approve the execution of the transaction and (or) obtaining the decision resulting in the provision of the right to fish aquatic biological resources in accordance with this Federal Law, attaching the documents specified in paragraphs 2 and 3 part 32 of this Article. Within thirty days from the date of receipt of the respective request, the authorized body must consider it and send a response to the applicant on the merits, as well as inform the Government Commission for Control over Foreign Investments in the Russian Federation (hereinafter referred to as the Commission), chaired by the Chairman of the Government of the Russian Federation, about the received request and the sent response. (As amended by Federal Law of 29.12.2022 No. 577-FZ)

#### **Article 9. Procedure for Reviewing a Petition by the Authorized Body**

1. Within no more than fourteen days from the date of receipt of the petition, the authorized body is obliged to:

1) Register the petition;

2) Verify the presence of the documents specified in parts 2, 3, 3.1, or 3.2 of Article 8 of this Federal Law within the petition. If the petition does not include all the specified documents, the authorized body sends a request to the applicant to submit the missing documents. If the applicant fails to submit the missing documents within one month from the date of sending the request, the authorized body returns the petition to the applicant without review; (Amendment - Federal Law of 29.12.2022 No. 577-FZ)

3) Determine whether the applicant has established control over a business entity of strategic importance as a result of the proposed transaction or in accordance with part 5 of Article 7 of this Federal Law, or whether the business entity applying to the authority (organization) issuing the license, or to the authority issuing the certificate of accreditation, or to the authority issuing the compliance document, is under the control of a foreign investor or a group of persons, or whether the business entity planning to execute a transaction and (or) obtain a decision resulting in the provision of the right to fish aquatic biological resources is under the control of a foreign investor or a group of persons; (Amendment - Federal Law of 29.12.2022 No. 577-FZ)

4) Establish whether the business entity of strategic importance, under the control of a foreign investor or a group of persons, meets the criteria specified in part 7 of Article 7 of this Federal Law when executing a transaction and (or) obtaining a decision resulting in the provision of the right to fish aquatic biological resources. (Addition of point - Federal Law of 29.12.2022 No. 577-FZ)

1.1. If the authorized body determines after accepting the petition for review that the information contained in the documents included in the petition is inaccurate, or if the applicant fails to provide the requested additional information, the authorized body returns the petition to the applicant without review. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

2. If the authorized body, during the review of the petition, determines that the applicant has not established control over a business entity of strategic importance as a result of the proposed transaction or in accordance with part 5 of Article 7 of this Federal Law, or that the business entity applying to the authority issuing the license, or to the authority issuing the certificate of accreditation, or to the authority issuing the compliance document, is not under the control of a foreign investor or a group of persons, or that the business entity of strategic importance under the control of a foreign investor or a group of persons does not meet the criteria specified in part 7 of Article 7 of this Federal Law when executing a transaction and (or) obtaining a decision resulting in the provision of the right to fish aquatic biological resources, the authorized body must, within three working days from the determination of this fact, make a decision to return the petition to the applicant, stating the reasons for such decision and send this decision to the applicant, and a copy to the Commission, except for the case provided for in part 3 of this article. In this case, preliminary approval of the specified transaction or approval of establishing control is not required. (Amendment - Federal Law of 29.12.2022 No. 577-FZ)

3. If the authorized body, during the review of the petition, determines that the applicant has not established control over a business entity of strategic importance as a result of the proposed transaction, but the transaction is subject to approval in accordance with point 3 or 5 part 1, part 11 of Article 7 of this Federal Law, the authorized body must, within no more than thirty days from the determination of this fact, carry out the actions provided for in Article 10 of this Federal Law. (Amendment - Federal Laws of 16.11.2011 No. 322-FZ; 04.11.2014 No. 343-FZ)

4. If the authorized body, during the review of the petition, determines that, in accordance with part 2 of Article 2 of this Federal Law, the applicant is not entitled to execute transactions resulting in the establishment of control over a business entity of strategic importance, the authorized body must, within three working days from the determination of this fact, make a decision to return the petition to the applicant, stating the reasons for such decision and send this decision to the applicant, and a copy to the Commission.

5. If the authorized body, during the review of the petition, determines that the applicant has established control over a business entity of strategic importance as a result of the proposed transaction or in accordance with part 5 of Article 7 of this Federal Law, or that the business entity applying to the authority issuing the license, or to the authority issuing the certificate of accreditation, or to the authority issuing the compliance document, is under the control of a foreign investor or a group of persons, or that the business entity of strategic importance under the control of a foreign investor or a group of persons meets the criteria specified in part 7 of Article 7 of this Federal Law when executing a transaction and (or) obtaining a decision resulting in the provision of the right to fish aquatic biological resources, the authorized body must, within no more than thirty days from the determination of this fact, carry out the actions provided for in Article 10 of this Federal Law. (Amendment - Federal Law of 29.12.2022 No. 577-FZ)

6. If the authorized body, during the review of the petition, except for petitions provided for in parts 31 and 32 of Article 8 of this Federal Law, determines that the decision based on the results of the review of the petition is made in accordance with Article 101 of this Federal Law, the authorized body must, within three working days from the determination of this fact, send requests to the federal executive body performing state sanitary and epidemiological supervision, the federal executive body responsible for developing and implementing state policy and regulatory framework in the housing and utilities sector, the federal executive body responsible for developing state policy and regulatory framework in the field of socio-economic development analysis and forecasting (hereinafter referred to as the interested federal executive bodies) regarding the need for the Commission to review this petition or the absence of such a need. Within no more than fourteen days from the date of receipt of the specified requests from the authorized body, the interested federal executive bodies must send conclusions to the authorized body on the need for the Commission to review this petition or the absence of such a need. When preparing these conclusions based on the information provided, including by the authorized body regarding the business entity of strategic importance specified in the petition provided for in part 1 of Article 101 of this Federal Law, the interested federal executive bodies must consider the following criteria: (Amendment - Federal Law of 29.12.2022 No. 577-FZ)

- 1) The consequences of the proposed transaction or the establishment of control in accordance with part 5 of Article 7 of this Federal Law for the field of activity regulated or supervised by the interested federal executive bodies;
- 2) The presence or absence of the need for the Commission to impose one or more obligations on the applicant, as provided for in points 1 - 7 and 10 - 15 of part 1 of Article 12 of this Federal Law.

(Addition of part - Federal Law of 09.03.2021 No. 40-FZ)

In the case provided for in parts 1 and 11 of this article, the authorized body, based on the decision specified in part 1 of this article by the Commission, prepares an agreement with the applicant to be signed by the authorized body and the applicant, in which the applicant undertakes to ensure the fulfillment of the specified obligations and which defines the conditions for their fulfillment by the applicant, as well as the applicant's liability for violating these obligations. The conclusion of such an agreement is based on the decision of the Commission within no more than thirty days from the date of receipt of this decision by the authorized body. The applicant has the right to submit an application to the authorized body to extend the period for concluding such an agreement, but not more than fourteen days. The standard form of such an agreement with its essential terms is established by the authorized body. (Amendment - Federal Laws of 16.11.2011 No. 322-FZ; 18.07.2017 No. 165-FZ)

4. The obligations imposed on the applicant and specified in the agreement mentioned in part 3 of this article must correspond to the obligations specified in the decision of the Commission provided for in clause 2 part 1 of Article 11 of this Federal Law, except for the case of amendments to the specified agreement in accordance with part 7 of this article. (Amendment - Federal Law of 16.11.2011 No. 322-FZ)

5. Within three working days from the date of signing the agreement specified in part 3 of this article by the authorized body and the applicant, the authorized body formalizes the decision on preliminary approval of the transaction or approval of establishing control based on the decision of the Commission provided for in clause 2 part 1 of Article 11 of this Federal Law. At the same time, the specified agreement comes into force simultaneously with such a decision of the authorized body. If the applicant refuses to fully or partially accept the obligations specified by the Commission in accordance with this article or if the specified agreement is not concluded within the specified period, the authorized body formalizes the decision on refusal of preliminary approval of the transaction or approval of establishing control within three working days. The authorized body informs the Commission of the decisions made within three working days from the date of their adoption. (Amendment - Federal Law of 16.11.2011 No. 322-FZ)

6. The agreement specified in part 3 of this article remains in force for the entire period during which the business entity of strategic importance is under the control of the applicant.

7. The authorized body may amend the terms of the agreement specified in part 3 of this article by mutual agreement of the parties only based on the decision of the Commission and following the same form and procedure as the specified agreement. At the same time, it is not required to amend the decision on preliminary approval of the transaction or approval of establishing control concerning the amendment of the obligations imposed on the applicant. Amendments to this agreement are possible only in connection with a significant change in circumstances that the parties to the agreement relied on when concluding it.

8. The agreement specified in part 3 of this article must provide, in addition to the consequences specified in part 4 of Article 15 of this Federal Law, other consequences of the applicant's failure to fulfill the obligations assumed, including the payment of penalties, the application of other measures of civil liability, and the procedure for compensating for the damages caused by such failure.

### **Article 13. Rights and Obligations of the Authorized Body and Operational Units of the Federal Security Service**

1. The authorized body has the right to request and receive the documents and information specified in Articles 9 and 10 of this Federal Law.
2. If necessary, the authorized body has the right to initiate an expert assessment of the information to which the applicant may have access concerning its classification as state secrets.
3. The authorized body conducts inspections to ensure that the foreign investor or the legal or physical entity included in a group of persons fulfills the obligations assumed in accordance with Article 12 of this Federal Law.
4. Individuals and legal entities, including holders of the registers of shareholders of joint-stock companies of strategic importance, are obliged to provide reliable documents, explanations in written or oral form, and other information necessary for the authorized body to perform its functions, including information constituting state, commercial, official, and other secrets protected by law, within the time frame established by the authorized body. (Amendment - Federal Law of 04.11.2014 No. 343-FZ)
5. Information constituting state, commercial, official, or other secrets protected by law, obtained by the authorized body while performing its functions specified by this Federal Law, must not be disclosed, except as provided by the legislation of the Russian Federation. The employees of the authorized body are held liable under the legislation

of the Russian Federation for disclosing such information. Damage caused to individuals or legal entities due to the disclosure of such information by the authorized body must be compensated in the manner provided by the legislation of the Russian Federation.

6. To determine whether a foreign investor, foreign investors, or a group of persons has established control over a business entity of strategic importance, as well as the presence of agreements between the foreign investor, foreign investors, and third parties aimed at establishing control over a business entity of strategic importance, the operational units of the Federal Security Service have the right to conduct operational search activities in accordance with the legislation of the Russian Federation on operational search activities. The results of the operational search activities of the operational units of the Federal Security Service may be used as evidence in the lawsuits specified in Article 15 of this Federal Law. (Amendment - Federal Law of 04.11.2014 No. 343-FZ)
7. The authorized body provides explanations on the application of this Federal Law. (Addition of part - Federal Law of 31.05.2018 No. 122-FZ)

**Article 14. Requirement for Notification of the Authorized Body by Foreign Investors, Groups of Persons, and Other Persons**

1. Foreign investors or groups of persons are obliged to provide information on the acquisition of five or more percent of the shares (stakes) constituting the authorized capital of business entities of strategic importance, as well as on the execution of transactions or other actions, the decision on the preliminary approval of which was made in accordance with this Federal Law, to the authorized body in the manner established by the Government of the Russian Federation. (Amendment - Federal Law of 29.12.2022 No. 577-FZ)
2. Citizens of the Russian Federation who have acquired other citizenship, received a residence permit, or another valid document confirming the right to permanent residence in a foreign state, or whose decision on the admission to citizenship of the Russian Federation has been revoked, stateless persons permanently residing outside the territory of the Russian Federation, and foreign citizens who previously had citizenship of the Russian Federation and formalized the renunciation of citizenship of the Russian Federation, are obliged to provide information on these changes to the authorized body in the manner established by the Government of the Russian Federation, if these citizens or persons own five or more percent of the shares (stakes) constituting the authorized capital of a business entity of strategic importance and do not exercise control over such a business entity. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

(Article amended - Federal Law of 04.11.2014 No. 343-FZ)

**Article 15. Legal Consequences of Non-compliance with the Requirements of this Federal Law**

1. Transactions specified in Article 7 of this Federal Law, executed in violation of the requirements of this Federal Law, are null and void. Actions specified in part 31 of Article 7 of this Federal Law, executed in violation of the requirements of this Federal Law, have no legal consequences from the moment of their execution. (Amendment - Federal Law of 28.04.2023 No. 139-FZ)

1.1. The court applies the consequences of the invalidity of a void transaction in accordance with civil legislation, including the possibility of recovering in favor of the Russian Federation the shares (stakes) constituting the authorized capital of a business entity of strategic importance acquired by the parties to the void transaction acting intentionally, or the property acquired by the parties to the void transaction acting intentionally, which relates to the main production assets of a business entity of strategic importance, as well as recovering in favor of the Russian Federation the income received as a result of the void transaction by the parties acting intentionally. (Addition of part - Federal Law of 28.04.2023 No. 139-FZ)

1.2. When making a decision on the application of the consequences of the invalidity of a void transaction specified in part 11 of this article, the court also considers the presence or absence of risks to the country's defense and state security in case of applying the consequences of the invalidity of a void transaction specified in clause 2 of Article 167 of the Civil Code of the Russian Federation. (Addition of part - Federal Law of 28.04.2023 No. 139-FZ)

1.3. The consequences of the invalidity of a void transaction specified in part 11 of this article are analogously applied by the court to the actions specified in part 31 of Article 7 of this Federal Law executed in violation of the requirements of this Federal Law. When making a decision on the application of such consequences, the court also considers the presence or absence of risks to the country's defense and state security in case of applying the consequences of the invalidity of a void transaction specified in clause 2 of Article 167 of the Civil Code of the Russian Federation. (Addition of part - Federal Law of 28.04.2023 No. 139-FZ)

2. If it is impossible to apply the consequences of the invalidity of a void transaction to the transactions specified in Article 7 of this Federal Law or the actions specified in part 31 of Article 7 of this Federal Law, and if the foreign investor fails to submit a petition for the approval of establishing control within the established period in accordance with part 5 of Article 7 of this Federal Law, the court, upon the request of the authorized body, decides to deprive the foreign investor or the group of persons of the right to vote at the general meeting of shareholders (participants) of the business entity of strategic importance. If the foreign investor or the group of persons is deprived of the right to vote at the general meeting of shareholders (participants) of the business entity of strategic importance by the court, the votes belonging to the foreign investor or the group of persons are not counted when determining the quorum of the general meeting of shareholders (participants) of such a business entity and when counting votes at the general meeting of shareholders (participants) of such a business entity. (Amendment - Federal Law of 28.04.2023 No. 139-FZ)

3. The decisions of the general meeting of shareholders (participants) of the business entity of strategic importance and other management bodies of such a business entity and the transactions executed by such a business entity after the foreign investor or the group of persons establishes control over such a business entity in violation of the requirements of this Federal Law may be declared invalid in court upon the request of the authorized body.

4. Gross or repeated non-fulfillment by the foreign investor or the legal or physical entity included in a group of persons of the obligations assumed in accordance with Article 12 of this Federal Law results in the deprivation of the foreign investor or the group of persons of the right to vote at the general meeting of shareholders (participants) of the business entity of strategic importance by the court, and in this case, the votes belonging to the foreign investor or the group of persons are not counted when determining the quorum of the general meeting of shareholders (participants) of such a business entity and when counting votes at the general meeting of shareholders (participants) of such a business entity.

4.1. Failure to provide the information specified in Article 14 of this Federal Law by the foreign investor or the group of persons to the authorized body results in the deprivation of the foreign investor or the group of persons of the right to vote at the general meeting of shareholders (participants) of the business entity of strategic importance by the court until the day the information is properly provided to the authorized body. In this case, the votes belonging to the foreign investor or the group of persons are not counted when determining the quorum of the general meeting of shareholders (participants) of such a business entity and when counting votes at the general meeting of shareholders (participants) of such a business entity. (Addition of part - Federal Law of 18.07.2017 No. 165-FZ) (Amendment - Federal Law of 29.12.2022 No. 577-FZ)

5. If the foreign investor or the group of persons who established control over the business entity of strategic importance in the manner provided by part 5 of Article 7 of this Federal Law receives a refusal to approve the establishment of control, this foreign investor or this group of persons must divest part of the shares (stakes) of the business entity within three months from the date of receiving the decision of the authorized body on refusal to approve the establishment of control in such a way that the remaining shares (stakes) do not grant this foreign investor or this group of persons the right to control such a business entity. If this requirement is not met, this foreign investor or this group of persons is deprived of the right to vote at the general meeting of shareholders (participants) of the business entity of strategic importance by the court, and the votes belonging to this foreign investor or this group of persons are not counted when determining the quorum of the general meeting of shareholders (participants) of such a business entity and when counting votes at the general meeting of shareholders (participants) of such a business entity.

5.1 If the authorized body determines that a business entity under the control of a foreign investor or a group of persons has obtained a license or made changes to the license registry or obtained or reissued a certificate of accreditation or a compliance document in violation of the requirements of this Federal Law, the authorized body sends a conclusion on the determination of this fact to the Commission and the business entity concerning which the authorized body has issued such a conclusion. This conclusion may be appealed in court within three months from the date of its receipt by the business entity concerning which the authorized body has issued such a conclusion. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.2. Within no later than three months from the date of receipt of the conclusion of the authorized body specified in part 51 of this article, the Commission reviews this conclusion, taking into account the presence (absence) of threats to the country's defense and state security, the need for reliable and uninterrupted operation of facilities ensuring the livelihood of the population, socio-economic and environmental consequences of suspending the activities of strategic importance for ensuring the country's defense and state security, and makes a decision on the need to suspend the license, the certificate of accreditation, or the compliance document concerning the types of activities specified in this conclusion. The authorized body is informed of the Commission's decision within no later than seven working days from the date of this decision. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.3. The authorized body, within three working days from the date of receiving information about the Commission's decision specified in part 52 of this article, sends the corresponding decision of the authorized body, formalized based on the Commission's decision, to the authority (organization) that issued the license or made changes to the license registry or to the authority that issued or reissued the certificate of accreditation or to the authority that issued or reissued the compliance document. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.4. The authority (organization) that issued the license or made changes to the license registry or the authority that issued or reissued the certificate of accreditation or the authority that issued or reissued the compliance document must suspend the license, the certificate of accreditation, or the compliance document concerning the types of activities specified in the decision of the authorized body specified in part 53 of this article within no later than ten days from the date of receipt of the decision of the authorized body specified in part 5.3 of this article, until the authority (organization) receives information from the authorized body or the business entity holding the license, the certificate of accreditation, or the compliance document about the entry into force of a court decision recognizing the conclusion of the authorized body specified in part 51 of this article and issued concerning such a business entity as invalid. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.5. The authority (organization) that issued the license or made changes to the license registry or the authority that issued or reissued the certificate of accreditation or the authority that issued or reissued the compliance document must resume the license, the certificate of accreditation, or the compliance document suspended based on the decision of the authorized body specified in part 53 of this article within ten days from the date of receipt of information from the authorized body or the business entity holding the license, the certificate of accreditation, or the compliance document about the entry into force of a court decision recognizing the conclusion of the authorized body specified in part 51 of this article and issued concerning such a business entity as invalid, or information that the conclusion of the authorized body was not appealed in court within the period specified in part 51 of this article. In case of receipt of information from the authorized body or the business entity holding the license, the certificate of accreditation, or the compliance document about the entry into force of a court decision refusing to recognize the conclusion of the authorized body specified in part 51 of this article as invalid or information that the conclusion of the authorized body was not appealed in court within the period specified in part 51 of this article, the authority (organization) must apply to the court to annul the license, the certificate of accreditation, or the compliance document. The license, the certificate of accreditation, or the compliance document is annulled by a court decision. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.6.If the court recognizes the conclusion of the authorized body specified in part 51 of this article as invalid, the losses, including lost profits, caused by the suspension of the license, the certificate of accreditation, or the compliance document by the authority (organization) that issued the license or made changes to the license registry or the authority that issued or reissued the certificate of accreditation or the authority that issued or reissued the compliance document, based on the decision of the authorized body specified in part 53 of this article, must be compensated by the authorized body in accordance with the civil legislation. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.7.The provisions of parts 5.1 – 5.6 of this article do not apply to relations related to the execution of transactions and (or) obtaining decisions resulting in the provision of the right to fish aquatic biological resources, obtaining the right to use subsoil areas of federal significance in accordance with clause 1 part one of Article 101 of the Law of the Russian Federation of February 21, 1992 No. 2395-I "On Subsoil," as well as to relations arising from the transfer of the right to use subsoil areas of federal significance by decision of the Government of the Russian Federation in accordance with part six of Article 171 of the specified Law. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.8.If the authorized body determines that a business entity of strategic importance and engaged in fishing aquatic biological resources is under the control of a foreign investor or a group of persons in violation of the requirements of this Federal Law or that a transaction and (or) decision resulting in the provision of the right to fish aquatic biological resources to a business entity under the control of a foreign investor or a group of persons was executed and (or) obtained in violation of part 7 of Article 7 of this Federal Law, the authorized body sends a conclusion on the determination of this fact to the Commission and the business entity of strategic importance concerning which the authorized body has issued such a conclusion, as well as to the federal executive body in the field of fisheries and its territorial bodies or to the federal executive body in the field of fisheries, its territorial bodies and the executive bodies of the subject of the Russian Federation, which according to their powers executed the transactions and (or) made the decisions resulting in the provision of the right to fish aquatic biological resources to the business entity concerning which the authorized body has issued such a conclusion. This conclusion may be appealed in court within three months from the date of its receipt by the business entity concerning which the authorized body has issued such a conclusion. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.9.Within no later than three months from the date of receipt of the conclusion of the authorized body specified in part 58 of this article, the Commission reviews the specified conclusion and, if there is a threat to the country's defense and state security and the absence of negative socio-economic and environmental consequences of suspending the fishing activities, makes a decision on the need to suspend the permits for fishing aquatic biological resources issued to the business entity of strategic importance, which were obtained in violation of this Federal Law. The authorized body is informed of the Commission's decision within no later than seven working days from the date of this decision. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.10. The authorized body, within three working days from the date of receiving information about the Commission's decision specified in part 59 of this article, sends the corresponding decision of the authorized body, formalized based on the Commission's decision, to the federal executive body in the field of fisheries and its territorial bodies, which issued the permits for fishing aquatic biological resources to the business entity concerning which the authorized body has issued the conclusion specified in part 58 of this article. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.11. In case of receipt of the conclusion of the authorized body specified in part 58 of this article by the federal executive body in the field of fisheries and its territorial bodies or the federal executive body in the field of fisheries, its territorial bodies and the executive bodies of the subject of the Russian Federation, it is not allowed for these government bodies to provide the business entity concerning which the conclusion has been issued with the right to fish aquatic biological resources, including the issuance of permits for fishing aquatic biological resources based on previously executed transactions and (or) made decisions resulting in the provision of the right to fish aquatic biological resources to such a business entity, as well as it is not allowed to reissue the right to fish aquatic biological resources when transferring the right to fish aquatic biological resources to such a business entity or from it to other persons executed in accordance with Article 32 of the Federal Law of December 20, 2004 No. 166-FZ "On Fisheries and Conservation of Aquatic Biological Resources" until the authorized body or the business entity holding the permits for fishing aquatic biological resources receives information about the entry into force of a court decision recognizing the conclusion specified in part 58 of this article and issued concerning such a business entity as invalid. At the same time, the permits for fishing aquatic biological resources issued to the business entity of strategic importance must be suspended by the federal executive body in the field of fisheries and its territorial bodies, which issued such permits for fishing aquatic biological resources, within no later than ten days from the date of receipt of the decision of the authorized body specified in part 510 of this article until the federal executive body in the field of fisheries and its territorial bodies receive information from the authorized body or the business entity holding the permits for fishing aquatic biological resources about the entry into force of a court decision recognizing the conclusion specified in part 58 of this article and issued concerning such a business entity as invalid. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.12. If the conclusion of the authorized body specified in part 5.8 of this article is received by the federal executive body in the field of fisheries and its territorial bodies or the federal executive body in the field of fisheries, its territorial bodies and the executive bodies of the subject of the Russian Federation from the authorized body or the business entity concerning which the conclusion has been issued and it is recognized as invalid by a court decision, the permits for fishing aquatic biological resources must be resumed by the federal executive body in the field of fisheries and its territorial bodies, which issued such permits for fishing aquatic biological resources to the business entity concerning which the conclusion has been issued, within ten days from the date of receipt of the information about the entry into force of a court decision recognizing the conclusion specified in part 58 of this article and issued concerning such a business entity as invalid. In case of receipt of information about the entry into force of a court decision refusing to recognize the conclusion specified in part 58 of this article as invalid or information that the conclusion was not appealed in court within the period specified in part 58 of this article, the federal executive body in the field of fisheries and its territorial bodies must apply to the court to annul the permits for fishing aquatic biological resources. The permits for fishing aquatic biological resources are annulled by a court decision. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.13. Permits for fishing aquatic biological resources, the action of which was suspended, must be annulled by the federal executive body in the field of fisheries and its territorial bodies, which issued such permits for fishing aquatic biological resources to the business entity concerning which the authorized body has issued the conclusion specified in part 58 of this article, within no later than ten days from the date of receipt of the information from the authorized body or the business entity concerning which the authorized body has issued the conclusion specified in part 58 of this article about the entry into force of a court decision refusing to recognize the conclusion as invalid or information that the conclusion was not appealed in court within the period specified in part 58 of this article. In this case, the federal executive body in the field of fisheries and its territorial bodies must make decisions within the specified ten-day period to annul the decisions on the basis of which such a business entity acquired the right to fish aquatic biological resources, as well as send notifications to such a business entity about the unilateral termination of contracts on the basis of which such a business entity acquired the right to fish aquatic biological resources. These contracts are considered unilaterally terminated from the date of receipt by such a business entity of the notifications sent by the federal executive body in the field of fisheries and its territorial bodies, which are one of the parties to these contracts. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.14. If the conclusion of the authorized body specified in part 5.8 of this article is received by the executive bodies of the subject of the Russian Federation from the authorized body or the business entity concerning which the conclusion has been issued and it is recognized as invalid by a court decision, the executive bodies of the subject of the Russian Federation must annul the decisions on the basis of which such a business entity acquired the right to fish aquatic biological resources within no later than ten days from the date of receipt of this information, and send notifications to such a business entity about the unilateral termination of contracts on the basis of which such a business entity acquired the right to fish aquatic biological resources. These contracts are considered unilaterally terminated from the date of receipt by such a business entity of the notifications sent by the executive bodies of the subject of the Russian Federation, which are one of the parties to these contracts. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.15. If the court recognizes the conclusion of the authorized body specified in part 58 of this article as invalid, the losses, including lost profits, caused by the actions of the federal executive body in the field of fisheries and its territorial bodies on the basis of the decision of the authorized body specified in part 510 of this article on the suspension of the permits for fishing aquatic biological resources, the actions of the federal executive body in the field of fisheries and its territorial bodies or the executive bodies of the subject of the Russian Federation on the basis of the conclusion of the authorized body received in accordance with part 511 of this article, on the refusal to grant the right to fish aquatic biological resources and the reissuance of the right to fish aquatic biological resources when transferring the right to fish aquatic biological resources to the business entity concerning which the conclusion has been issued or from it to other persons in accordance with Article 32 of the Federal Law of December 20, 2004 No. 166-FZ "On Fisheries and Conservation of Aquatic Biological Resources," must be compensated by the authorized body in accordance with civil legislation. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

5.16. The procedure for preparing the conclusions specified in parts 5.1 and 5.8 of this article by the authorized body is established by the authorized body. (Addition of part - Federal Law of 29.12.2022 No. 577-FZ)

6. Cases related to violations of the requirements of this Federal Law are under the jurisdiction of arbitration courts. (Addition of part - Federal Law of 18.07.2017 No. 165-FZ) (Amendment - Federal Law of 28.11.2018 No. 451-FZ)

7. A business entity of strategic importance has the right to file a lawsuit with an arbitration court against a foreign investor or a group of persons to recover damages, including lost profits, and compensation for harm caused to its property due to the bad faith exercise by the foreign investor or the group of persons of their rights concerning the business entity of strategic importance or its property acquired as a result of the transactions specified in Article 7 of this Federal Law or the actions specified in part 3.1 of Article 7 of this Federal Law executed in violation of the requirements of this Federal Law. (Addition of part - Federal Law of 28.04.2023 No. 139-FZ)

#### **Article 16. Temporal Application of this Federal Law**

1. This Federal Law applies to relationships related to investments by foreign investors or a group of persons in the form of acquiring shares (stakes) of business entities of strategic importance and executing other transactions resulting in the establishment of control by the foreign investor or a group of persons over business entities of strategic importance, which arose after the day of the entry into force of this Federal Law. This Federal Law applies to relationships related to investments by foreign investors or a group of persons in the form of acquiring shares (stakes) of business entities of strategic importance and executing other transactions resulting in the establishment of control by the foreign investor or a group of persons over business entities of strategic importance, which arose before the day of the entry into force of this Federal Law, to the extent of the rights and obligations that arise after the day of its entry into force.

2. The provisions of this Federal Law do not apply to transactions executed before the day of the entry into force of this Federal Law.

3. Within one hundred and eighty days after the day of the entry into force of this Federal Law, the foreign investor or the group of persons must submit to the authorized body, in the manner established by the Government of the Russian Federation, information on the ownership by the foreign investor or the group of persons of five or more percent of the shares (stakes) constituting the authorized capital of a business entity of strategic importance acquired by the foreign investor or the group of persons before the day of the entry into force of this Federal Law.

**Article 17. Entry into Force of this Federal Law**

This Federal Law enters into force on the day of its official publication.

President of the Russian Federation V. Putin

Moscow, Kremlin April 29, 2008 No. 57-FZ
